

INSTANT REWARD POINTS REDEMPTION AT POINT OF SALE

What is “Redeem Rewards at POS” of UCB Credit Card?

UCB Cards is introducing a convenient and immediate way to redeem reward points right at the point of sale along with existing redemption processes.

Using this newly introduced Instant Rewards Point Redemption feature, any UCB Basic Credit Cardholder making purchases from participating merchants can now choose to pay, completely or partially, using their earned Reward Points.

Who are the participating Merchants?

The feature will be available at selected outlets of Shwapno and all outlets of Agora, Unimart, Khulshi Mart and The Basket.

Can Supplementary Cardholders use their Card for this new feature?

No, only Basic Cardholders are eligible for this offer.

What would be the redemption value of Reward Points?

Redemption value would be 25% of the redeemed reward points.

What is the minimum reward point value required?

Minimum 7,000 points need to be redeemed for this new feature.

Is this offer available at other Bank's POS?

No, Customer can redeem only at UCB POS.
