NOTICE & DISCLAIMER

United Commercial Bank PLC (previously known United Commercial Bank Limited) hereinafter referred as the "Bank" or the "UCB" or the "Issuer") has authorized UCB Investment Limited (hereinafter referred as "UCBIL" or the "Lead Arranger" to distribute this Information Memorandum (IM) in connection with the proposed transaction outlined in it (the "Transaction") and the bonds proposed to be issued in the Transaction (the "Bonds")

This Information Memorandum is provided to prospective investors on a private and confidential basis for use solely in connection with the issue, offer, sale or invitation to subscribe or purchase Perpetual Bonds. This Information Memorandum shall not be, in whole or in part, reproduced or used for any other purpose without prior written consent of the Arranger.

The Issuer has prepared this information memorandum and is solely responsible for its contents. The issuer will comply with all rules, laws and regulations and is responsible for obtaining all regulatory, governmental and corporate approvals for the issuance of the Bonds. The Issuer, having made all reasonable inquiries, confirms that this Information Memorandum contains all the information with respect to itself and the Bonds to be issued by it, which is material in the context of the Bonds; that the information contained in this Information Memorandum is true and accurate in all material respects and is not misleading; that the opinions and intentions expressed in this Information Memorandum are honestly held and that there are no other facts the omission of which would make any of such information or the expression of any such opinions or intentions misleading. The Issuer accepts responsibility accordingly.

The Arrangers has relied on the information provided by the Issuer and such information has not been independently verified by the Arranger. No representation or warranty, expressed or implied, is or will be made, and no responsibility or liability is or will be accepted, by the Arranger or any affiliate of the Arranger for the accuracy, completeness, reliability, correctness or fairness of this Information Memorandum or any of the information or opinions contained therein, and the Arranger hereby expressly disclaim, to the fullest extent permitted by law, any responsibility for the contents of this Information Memorandum and any liability, whether arising in tort or contract or otherwise, relating to or resulting from this Information Memorandum or any information or errors contained therein or any omissions therefore. By accepting this Information Memorandum, investors agree that the Arranger will not have any such liability.

Neither this Information Memorandum nor any other information supplied in connection with the Issue is intended to provide the complete basis of any credit or other evaluation, nor should it be considered as a recommendation by the Arranger to the Issue that any recipient of this Information Memorandum (or any other information supplied in connection with the Issue) should purchase or subscribe for any Bonds. Each investor contemplating purchasing or subscribing for a Bond should make their own independent investigation of the financial condition and affairs, and their own appraisal of the creditworthiness of the Issuer. Investors are advised not to construe the contents of this Information Memorandum as investment, legal, accounting, regulatory or tax advice. Investors are also advised to consult with their own advisors as to all legal, accounting, regulatory, tax, financial and related matters, concerning an investment in the Bonds.

INVESTORS SHOULD RELY ON THEIR OWN EVALUATION TO ASSESS THE MERITS AND RISKS OF THE INVESTMENT. IT IS RECOMMENDED THAT PROSPECTIVE INVESTORS CONSULT THEIR FINANCIAL, LEGAL AND OTHER ADVISERS BEFORE PURCHASING OR ACQUIRING OR INVESTING IN THE PERPETUAL BONDS.

SECTION 2: RISK FACTORS AND MANAGEMENT PERCEPTION ABOUT RISK

United Commercial Bank PLC (The Issuer) operates in banking industry which is cyclical and hence is exposed to several risk factors arising from external as well as internal matters. Moreover, any investment in debt securities carries risks. Hence, different debt securities carry different risks; an investment in Perpetual Bond has to be evaluated on its own merits. An investment in the Perpetual bonds is in that respect no different.

Potential investors of UCB 2nd Perpetual Bond are strongly encouraged to carefully evaluate all the information in this Information Memorandum, specially the risk factors both internal and external on their own merit and not by referent to any other debt securities whether of a comparable nature or otherwise before making any investment decision.

This section addresses the possible risks an investor might have to bear by investing in the bonds and each risk factor is followed by management’s perception regarding the risk. If any of the risks described below materialize, it could have a serious impact on the Issuer’s financial results, and the ability of the Issuer to fulfill its obligations under the Bonds to be issued. However, the list of risk factors is not meant to be a comprehensive description of all risks which may be relevant to a decision to invest in the Bonds. The sequence in which the risks below are listed is not intended to be indicative of any order of priority or of the extent of their consequences.

2.1 Interest Rate Risk

The banking book consists of assets and liabilities contracted basically on account of relationship or for steady income and statutory obligations and are generally held till maturity/payment by counter party. The earnings or changes in the economic value are the main focus in banking book. Interest rate risk is the risk that a bank will experience deterioration in its financial position as interest rates move over time. Interest rate risk in the banking book arises from a bank’s core banking activities.

Management Perception

The Bank uses Duration Gap Analysis (DGA) for deriving value of capital requirement for interest rate risk. The Bank ensures that interest rate risk is not included within the market risk. The Bank has calculated the rate sensitive assets and liabilities with maturity up to 12 months’ bucket and applied the sensitivity analysis to measure the level of interest rate shock on its capital adequacy.

2.2 Foreign Exchange Rate Risk

Exchange rate risk is defined as the potential change in earnings due to change in foreign exchange rates. Exchange rate fluctuation may reduce the profitability of the bank because its trade commitments from various sources of foreign exchange like export proceeds and remittances.

Management’s perception

Treasury Department conducts the Foreign Exchange Deals for the Bank as per Bangladesh Bank (BB) guideline and their own policies. Treasury Mid Office is responsible to monitor all related limits of Treasury and limits of its respective counterparties independently. In addition to Mid Office job is to ensure compliance, manage and escalate overall Risk issues of Treasury as and when required. Treasury Back

Office is responsible for verification of all deals executed by Treasury, settling payments and passing of entries in the books of account. Back Office is also ensuring revaluation in the Core Banking at Mark-to-Market rate basis as determined by BB on daily basis, submitting Foreign Exchange Position report as per BB guideline daily, reconciling/reporting all NOSTRO accounts with its book of entries and submitting all related reports to Bangladesh Bank.

2.3 Non-repayment Risk

It arises mainly from lending, trade finance, settlement and other financial transactions. This can be described as potential loss arising from the failure of a counter party to perform as per contractual agreement with the Bank. The failure may result from unwillingness of the counterparty or decline in his/her financial condition.

Management's perception

Potential credit losses from any given account, customer or portfolio are mitigated using a range of tools such as collateral, netting agreements, insurance, and other guarantees. The reliance that can be placed on these mitigates is carefully assessed in light of issues such as legal certainty and enforceability, market valuation correlation and counterparty risk of the guarantor. Risk mitigation policies determine the eligibility of collateral types. Collateral types which are eligible for risk mitigation include; cash, residential, commercial and industrial property; fixed assets such as motor vehicles, plant and machinery, marketable securities, commodities, bank guarantees, and letters of credit. Collateral is valued in accordance with our Methodology for Valuation of Security/Collateral Assets, which prescribes the frequency of valuation for different collateral types, based on the level of price volatility of each type of collateral. Collateral held against impaired loans is maintained at fair value.

2.4 Prepayment, Call or Refunding Risk

Prepayment, call or refunding risks are the risks associated with the principal amount of a bond.

Management's Perception

This bond is perpetual in nature i.e. there is no maturity date and there are no set-ups or other incentives to redeem unless and until it is eligible for call option criteria depicted in the features (5.1) section.

2.5 Security Risk

Security is the specific revenue sources or assets pledged by an issuer to the bondholder to secure repayment of the bond. Therefore, security risk is all about the process of recovering the investment by the bond holder by utilizing the charge against the collateral securities in case of Issuer's inability to repay the face value of the bond(s).

Management's Perception

UCB 2nd Perpetual Bond is an unsecured bond. Specific revenue sources or assets are not being pledged against the issuance of the bonds. Investors will have the right on the UCB's cash flow to get repaid but rank of a bond holder is below than other loans (or securities) with regard to claims on assets or earnings.

2.6 Liquidity Risk

Liquidity risk is the risk to the bank's earnings and capital arising from its inability to timely meet obligations. Liquidity risk primarily arises due to the maturity mismatch associated with assets and liabilities of the bank. Although liquidity risk dynamics vary according to a bank's funding market, balance sheet, and inter-corporate structure, the most common signs of possible liquidity problems include rising funding costs, a rating downgrade, decreases in credit lines, or reductions in the availability of long-term funding.

Management's Perception

United Commercial Bank PLC maintains diversified and stable funding base comprising of core retail, corporate and institutional deposits to manage liquidity risk. The prime responsibility of the liquidity risk management of the Bank lies with Treasury Division under the supervision of ALCO, which maintains liquidity based on current liquidity position, anticipated future funding requirement, sources of fund, options for reducing funding needs, present and anticipated asset quality, present and future earning capacity, present and planned capital position etc. The intensity and sophistication of liquidity risk management process depend on the nature, size and complexity of a bank's activities. Sound liquidity risk management employed in measuring, monitoring and controlling liquidity risk is critical to the viability of the bank. The Asset Liability Committee (ALCO), which meets at least once in a month, is responsible for managing and controlling liquidity of the Bank. Treasury front office closely monitors and controls liquidity requirements on daily basis by appropriate coordination of funding activities and they are primarily responsible for management of liquidity in the Bank. A monthly projection of fund flows is reviewed in ALCO meeting regularly.

2.7 Management Risk

Management risk refers to the chance that bank managers' inefficiency or under performance which will finally affect the shareholders. The bondholders may suffer financial losses in such an event.

Management's Perception

The Bank has well established management structure with diverse knowledge, skills, experience and expertise in core area of banking operation in its bid to attain optimal utilization of available resources. The bank has also a well proven track record of having strong and effective leadership which already has shown an effect on the Bank's financial performances.

2.8 Operational Risk

Operational Risk is the risk of loss resulting from inadequate or failed internal processes, people and systems or from external events. Operational risk may also arise from error and fraud due to lack of internal control and compliance across the bank.

Management's Perception

Operational Risk is inherent in every business organization and covers a wide spectrum of issues. In order to mitigate this, internal control and internal audit systems are used as the primary means. United Commercial Bank PLC manages this risk through a control based environment in which processes are documented, authorization is independent and transactions are reconciled and monitored. This is supported by an independent program of periodic reviews undertaken by internal audit, and by monitoring external operational risk events, which ensure that the bank stays in line with industry best practice and takes account of lessons learned from publicized operational failures within the financial services industry. United Commercial Bank PLC has operational risk management process which explains how the bank manages its operational risk by identifying, assessing, monitoring, controlling and mitigating the risk, rectifying operational risk events, and implementing any additional procedures required for compliance with Bangladesh Bank's requirements. Operational risk management responsibility is assigned to different level of management within the business operation. Information systems are used to record the identification and assessment of operational risks and to generate appropriate regular management reporting. Risk assessment incorporates a regular review of identified risks to monitor significant changes.

2.9 Business Risk

Business risk is the possibility that a company will have lower than anticipated profits, or that it will experience a loss rather than a profit. Business risk is influenced by numerous factors, including business environment, economic situation and government regulations.

Management's Perception

The performance and the quality and growth of Bank's assets are necessarily dependent on the health of the Bangladesh economy as well as on global economic conditions. An economic slowdown could adversely affect the business, including inability to grow asset portfolio, to maintain the quality of the assets and to implement business strategy. The domestic economy could be adversely affected by a variety of domestic as well as global factors. To mitigate business risk management continuously pursue to execute dynamic strategy on growth and business diversification.

2.10 Industry Risk

Industry risk is the possibility that a specific industry will not perform up to the level or at par. When problems plague one industry, they affect the individual organization of that particular industry. They may also cross over into other industries. The issuer is operating in a highly competitive market as modern banking industry has brought greater business diversification. Some banks in the industrialized world are

entering into investments, underwriting of securities and portfolio management. The entry of new competitors may also deteriorate the competitive environment and result in lower profitability of the bank.

Management's Perception

The Bank has an established broad-based presence and has been taking steps to enhance customer satisfaction by upgrading skills, systems and technology to meet such challenges. The Bank is attempting to add quality assets on competitive terms and also taking steps to broad base its product bouquet with a special emphasis on enhancement in the non-fund-based income. On the resource-raising front, the Bank is actively endeavoring to broaden its reach and raise resources through its wide distribution network of branches.

2.11 Market and Technology Related Risk

Market risk is the risk of potential losses in the on-balance sheet and off-balance sheet positions of a bank, stems from adverse movements in market rates or prices such as interest rates, foreign exchange rates, equity prices, credit spreads and/or commodity prices. Market risk exposure may be explicit in bank's trading book and banking book.

The financial industry of Bangladesh is currently one of the fastest growing in the country and is increasingly becoming competitive. Strong marketing and brand management would be required to increase the bank's customer base.

As the banking industry is becoming more and more technology dependent the risks deriving from technological use is increasing day by day. The bank might be exposed to risks such as cyber-attack, system collapse, system hacking, unauthorized electronic fund transfers, etc.

Management's Perception

The Board approves all policies related to market risk, sets limit and reviews compliance on a regular basis. The objective is to provide cost effective funding last year to finance asset growth and trade related transaction. Standardized (rule based) approach is used to measure the market risk of the Bank whereas for interest rate risk and equity risk both General and specific risk factors are applied for calculating capital charge and for foreign exchange and commodities only general risk factor is applied. The duties of managing the market risk including liquidity, interest rate and foreign exchange risk lies with the Treasury Division under the supervision of ALCO committee. The ALCO committee is comprised of senior executives of the Bank, who meets at least once in a month. The committee evaluates the current position of the bank and gives direction to mitigate the market risk exposure to a minimum level.

There are approved limits for Market risk related instruments both on-balance sheet and off-balance sheet items. The limits are monitored and enforced on a regular basis to protect against market risk. The exchange rate committee of the Bank meets on a daily basis to review the prevailing market condition, exchange rate, forex position and transactions to mitigate foreign exchange risks.

Bank's business is highly dependent on ability to process a large number of transactions on a daily basis. Financial, accounting or other data processing systems may fail to operate adequately or may become disabled as a result of events that are wholly or partially beyond the control, including a disruption of

electrical or communications services. These circumstances could affect bank's operations and may result in financial loss, disruption of businesses or may damage to bank's reputation. The Bank has set system and processes to protect its IT systems and network infrastructure from physical break-ins as well as security breaches and other disruptions caused by increased use of technology. Computer break-ins could affect the security of information stored in and transmitted through these computer systems and network infrastructure. The Bank continues to implement secured technology and establish operational procedures to prevent break-ins.

2.12 Risk Related to Potential or Existing Government Regulations

The company operates under, the Bank Companies Act-1991 (as amended in 2023), Companies Act-1994 (as amended in 2020), Income Tax Act 2023, Value Added Tax and Supplementary Duty Act 2012, Value Added Tax and Supplementary Duty Rules 2016, Bangladesh Securities and Exchange Rules, 1987 and other related regulations. The company also obtained license from Bangladesh Bank as a Bank under Bank Companies Act-1991 (as amended in 2023). Any major changes in regulatory regime may cause the Bank to be a noncompliant one having adverse impact in the reputation of the Bank.

Management's Perception

The laws and regulations or the regulatory or enforcement environment in Bangladesh may change at any time and may have an adverse impact on the products or services bank offers. Central Bank from time to time has instituted changes in regulations applicable loan provisioning, rescheduling, and amended Bank Company Act-1991 (as amended in 2023). Unless any policy change that may negatively and materially affect the industry as a whole, the business of the bank is expected not to be affected significantly.

2.13 Risk Related to Potential Changes in Global and National Policies

Changes in existing global or national policies can have either positive or negative impacts for the Bank. The performance of the Bank will be hindered due to unavoidable circumstances both in Bangladesh and worldwide like political turmoil.

Management's Perception

A significant change in the global and national policies in the future, particularly in respect of the banking and financial sector could affect business and economic conditions in Bangladesh. This could also adversely affect the business, prospects, results of operations and financial condition. The management of the Bank transcribes the prevailing and upcoming future changes in the global or national policy and firms to response appropriately and timely management of the risk.

any other payment obligation), (i) the Trustee or any Bondholder shall not be entitled to any remedy available to the Trustee or any Bondholder which in substance amounts to a remedy to recover any amounts under any payment obligation of the Issuer under the Bonds and (ii) any other remedy available.

5.8 Repayment Schedule:

As per BASEL III guideline (Annex IV: Special Eligibility Criteria to qualify for additional Tier 1 Capital, a) this instrument is perpetual in nature i.e. there is no maturity date and there are no set-ups or other incentives to redeem unless and until it is eligible for call option criteria depicted in features section.

SECTION 6: DESCRIPTION OF COLLATERAL SECURITY AND TYPE OF CHARGES TO BE CREATED

UCB 2nd Perpetual Bond is superior to the claims of investors in equity shares and perpetual non-cumulative preference shares, if any, of the bank whether currently outstanding or issued at any time in the future and subordinated to the claims of depositors, general creditors and subordinated debt of the Bank other than any subordinated debt qualifying as Additional Tier I Capital (as defined in the Basel III Guidelines) of the Bank. It is neither secured nor covered by a guarantee of the issuer nor related entity or other arrangement that legally or economically enhances the seniority of the claim vis-à-vis bank creditors.

SECTION 7: RIGHTS AND OBLIGATIONS OF THE ISSUER

Rights and Obligations of the Issuer have been incorporated from the Trust Deed executed between the Issuer (United Commercial Bank PLC) and the Trustee (Prime Bank Investment Limited)

Covenant to Repay

The Issuer covenants with the Trustee that it will, as and when the Bonds or any of the coupon payment under the Bonds become due for payment or any of them becomes due to be repaid in accordance with the Conditions, unconditionally pay or procure to be paid to or to the order of the Trustee in Bangladesh Taka in Dhaka in immediately available freely transferable funds, the coupon payments or any of them becoming due for payment, redemption or repayment on that date and shall (subject to the provisions of the Conditions) until all such payments (both before and after judgment or other order) are duly made unconditionally pay or procure to be paid to or to the order of the Trustee as aforesaid on the dates provided for in Trust Deed or any of them outstanding from time to time as set out in the Conditions provided that:

- every payment of coupon in respect of the Bonds or any of them made to the Bondholder shall satisfy, to the extent of such payment;
- if any payment coupon in respect of the Bonds or any of them is made after the due date, payment shall be deemed not to have been made until either the full amount is paid to the Bondholders or, if earlier, the seventh day after notice has been given to the Bondholders in accordance with the Conditions that the full amount has been received by the Trustee; and
- in case of the Issuer exercising the call option, where payment of the whole or any part of the principal amount due in respect of any Bond is improperly withheld or refused penalty shall accrue at applicable rate as per the reference rate for the Bond on the whole or such part of such principal amount from the date of such withholding or refusal until the date on which such principal amount due is paid to the Bondholders.

- The Trustee will hold the benefit of this covenant and the covenants in Clause 11.2 (Covenant to comply with Trust Deed and Conditions, Schedules, and applicable law) and Clause 11.3 (Covenants by the Issuer) on trust for the Bondholders.
- Covenant to comply with Trust Deed, Conditions, Schedules and applicable law
- The Issuer hereby covenants with the Trustee to comply with, perform and observe all those provisions of this Trust Deed, the Conditions (including, without limitation, Condition 5 (Covenants)) and the other Schedules which are expressed to be binding on it and to perform and observe the same. The Bonds are subject to the provisions contained in this Trust Deed, all of which shall be binding upon the Issuer and the Bondholders and all persons claiming through or under them respectively. The Bondholders and all persons claiming under or through them respectively will also be entitled to the benefit of, and will be bound by, this Trust Deed and the other Bond Documents and will be deemed to have notice of all of the provisions of the Bond Documents applicable to them.
- The Issuer hereby covenants with the Trustee to comply with, perform and observe all those provisions of the applicable law including but is not limited to Bangladesh Securities and Exchange Commission (Debt Securities) Rules 2021. The Issuer agrees that Bondholders and all persons claiming under or through them respectively will also be entitled to the benefit of, and will be bound by, the applicable law and will be deemed to have notice of all of the provisions of the applicable law applicable to them.
- The Trustee shall itself be entitled to enforce the obligations of the Issuer under the Bonds and the Conditions and the applicable law as if the same were set out and contained in this Trust Deed which shall be read and construed as one document with the Bonds.

Covenants by the Issuer

The Issuer hereby covenants with the Trustee that, so long as any of the Bonds remain outstanding, it will:

Books of account

At all times keep and procure that all its Subsidiaries keep such books of account as may be necessary to comply with all applicable laws and so as to enable the financial statements of the Issuer to be prepared and allow, subject to confidentiality obligations under applicable law, the Trustee and any person appointed by it free access to the same at all reasonable times and to discuss the same with responsible officers of the Issuer;

Corporate Governance

Comply (and shall ensure that each member of the Group will) in all material respects with the corporate governance guidelines set out by the Bangladesh Bank and the Bangladesh Securities and Exchange Commission.

Information

So far as permitted by applicable law, at all times give to the Trustee such information, opinions, certificates and other evidence as it shall require and in such form as it shall require in relation to Issuer for the performance of its obligations under the Bond Documents;

Securities and Exchange Commission (Private Placement of Debt Securities) Rules 2021 together with all its amendment, modification or ratification thereof.

Advice: The Trustee may in relation to this Trust Deed act on the opinion or advice of or a certificate or any information obtained from any lawyer, banker, valuer, surveyor, broker, auctioneer, accountant or other expert (whether obtained by the Trustee, the Issuer, or any Subsidiary) and which advice or opinion may be provided on such terms (including as to limitations on liability) as the Trustee may consider in its sole discretion to be consistent with prevailing market practice with regard to advice or opinions of that nature and shall not be responsible for any Liability occasioned by so acting; any such opinion, advice, certificate or information may be sent or obtained by letter, telegram, telex, cablegram or facsimile transmission. However, the trustee should also perform the standard due diligence process in case of receipt of any advice, whatever means the communication form either print or electronic, in relation to the issuance of the bond;

Resolution or direction of Bondholders: The Trustee shall not be responsible for acting upon any resolution purporting to be a Written Resolution or to have been passed at any meeting of the Bondholders in respect whereof minutes have been made and signed or a direction of a specified percentage of Bondholders, even though it may subsequently be found that there was some defect in the constitution of the meeting or the passing of the resolution or the making of the directions or that for any reason the resolution purporting to be a Written Resolution or to have been passed at any Meeting or the making of the directions was not valid or binding upon the Bondholders;

Trustee not responsible for investigations: Save as otherwise provided by applicable law, the Trustee shall not be responsible for, or for investigating any matter which is the subject of, any recital, statement, representation, warranty or covenant of any person contained in this Trust Deed, the Bonds, or any other agreement or document relating to the transactions herein or therein contemplated or for the execution, legality, effectiveness, adequacy, genuineness, validity, enforceability or admissibility in evidence thereof;

Entry on the Register: The Trustee shall not be liable to the Issuer or any Bondholder by reason of having accepted as valid or not having rejected any entry on the Register later found to be forged or not authentic and can assume for all purposes in relation hereto that any entry on the Register is correct;

Right to Deduct or Withhold: Notwithstanding anything contained in this Trust Deed, to the extent required by any applicable law, if the Trustee is or will be required to make any deduction or withholding from any distribution or payment made by it hereunder or if the Trustee is or will be otherwise charged to, or is or may become liable to, tax as a consequence of performing its duties hereunder whether as principal, agent or otherwise, and whether by reason of any assessment, prospective assessment or other imposition of liability to taxation of whatsoever nature and whenever made upon the Trustee, and whether in connection with or arising from any sums received or distributed by it or to which it may be entitled under this Trust Deed (other than in connection with its remuneration as provided for herein) or any investments or deposits from time to time representing the same, including any income or gains

arising therefrom or any action of the Trustee in connection with the trusts of this Trust Deed (other than the remuneration herein specified) or otherwise, then the Trustee shall act to make such deduction or withholding as per the prevailing laws of the land.

Liability: Under no circumstance will the Trustee be liable for any special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to loss of business, goodwill, opportunity or profit), whether or not foreseeable, even if the Trustee has been advised of such loss or damage and regardless of whether the claim for loss or damage is made in negligence, for breach of contract or otherwise. This Clause 6.1.8 shall survive the termination or expiry of this Trust Deed or the removal or termination of the Trustee.

Force Majeure: The Trustee shall not be liable for any failure or delay in the performance of its obligations under this Trust Deed or any other Bond Document because of circumstances beyond such Trustee's control, including, without limitation, acts of God, flood, war (whether declared or undeclared), terrorism, fire, riot, embargo, labour disputes, any laws, ordinances, regulations or the like of which restrict or prohibit the performance of the obligations contemplated by this Trust Deed or any other Bond Document, inability to obtain or the failure of equipment, or interruption of communications or computer facilities, and other causes beyond such Trustee's control whether or not of the same class or kind as specifically named above.

Immunities: The Trustee's immunities and protections from liability and its right to indemnification in connection with the performance of its duties under this Trust Deed shall extend to the Trustee's officers, directors and employees. Such immunities and protections and right to indemnification, together with the Trustee's right to compensation, shall survive the Trustee's resignation or removal, the defeasance or discharge of this Trust Deed and final payment of the Bonds.

Professional charges: Any trustee being a banker, lawyer, broker or other person engaged in any profession or business shall be entitled to charge and be paid all usual professional and other charges for business transacted and acts done by him or his partner or firm on matters arising in connection with the trusts of this Trust Deed and also his properly incurred charges in addition to disbursements for all other work and business done and all time spent by him or his partner or firm on matters arising in connection with this Trust Deed, in each case as agreed pursuant to the Fee Letter (including matters which might or should have been attended to in person by a trustee not being a banker, lawyer, broker or other professional person). In this connection prior approval from the Issuer should be obtained by the Trustee.

Expenditure by the Trustee: Nothing contained in this Trust Deed shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties or the exercise of any right, power, authority or discretion hereunder if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it, subject to prior approval from the Issuer; and

Trustee Liability: The Trustee shall not be liable to any person for any matter or thing done or omitted in any way in connection with or in relation to this Trust Deed or the Bonds save in relation to its own gross negligence, wilful default or fraud.

Right to Sue: The Trustee may sue and may be sued on behalf of the Bondholders.

Trustee's powers and duties

Applicable Law: Notwithstanding anything contained in this Trust Deed the Trustee shall have all such responsibility as set out in the applicable law including but is not limited to Bangladesh Securities and Exchange Commission (Debt Securities) Rules 2021 and any subsequent amendments, modifications or ratifications thereof.

Act for Bondholders: Subject to applicable law and terms and conditions of this Trust Deed Trustee shall act on behalf and for the exclusive interest of the Bondholders;

Monitoring: Trustee shall ensure that Issuer is observing the applicable law for the Bonds and the terms and conditions of the Bond Documents. As soon as the Trustee is aware of any breach by the Issuer it shall immediately inform the Bondholders and the Issuer of such breach;

Report to BSEC: Trustee shall submit an annual compliance report to the BSEC on the activities of the Issuer including repayment of dues to the Bondholders. When Trustee shall submit such report to the BSEC it shall provide copy to the Issuer and the Bondholders. However, in case of any non-compliance of the Issuer, the trustee shall first provide a copy of the report to the Issuer with details of such non-compliance and then submit to the BSEC;

Notification of call or repayment: Immediately upon receipt of notice from the Issuer regarding a Call Exercise Date in respect of any Bond, give to the respective Bondholders notice in writing of the amount of such redemption or purchase by the Issuer pursuant to the Conditions;

Grievances of the Bondholders: Upon receipt of a complaint from the Bondholders, Trustee shall take necessary steps for redress of grievances of the Bondholders within one month of the date of receipt of the complaints and he shall keep the BSEC and the Issuer informed about the number, nature and other particulars of the complaints received and the manner in which such complaints have been redressed;

Determination of questions: The Trustee may determine whether or not a default in the performance or observance by the Issuer of any obligation under the provisions of this Trust Deed or contained in the Bonds is capable of remedy and if the Trustee shall certify that any such default is, in its opinion, not capable of remedy, such certificate shall be conclusive and binding upon the Issuer and the Bondholders;

Determination of questions: the Trustee as between itself and the Bondholders shall have full power to determine all questions and doubts arising in relation to any of the provisions of this Trust Deed and every

such determination, whether made upon a question actually raised or implied in the acts or proceedings of the Trustee, shall be conclusive and shall bind the Trustee and the Bondholders;

Trustee's discretion: the Trustee shall (save as expressly otherwise provided herein) as regards all the trusts, powers, authorities and discretions vested in it by this Trust Deed or by operation of law, have absolute and uncontrolled discretion as to the exercise or non exercise thereof but whenever the Trustee is under the provisions of this Trust Deed bound to act at the request or direction of the Bondholders, the Trustee shall nevertheless not be so bound unless first indemnified and/or provided with security to its satisfaction against all actions, proceedings, claims and demands to which it may render itself liable and all costs, charges, damages, expenses and liabilities which it may incur by so doing;

Trustee's consent: any consent given by the Trustee for the purposes of this Trust Deed may be given on such terms and subject to such conditions (if any) as the Trustee may require;

Application of proceeds: the Trustee shall not be responsible for the receipt or application by the Issuer of the proceeds of the issue of the Bonds;

Error of judgment: the Trustee shall not be liable for any error of judgment made in good faith by any officer or employee of the Trustee assigned by the Trustee to administer its corporate trust matters;

Agents: Subject to the provisions of the Trust Act 1882 and Bangladesh Securities and Exchange Commission (Debt Securities) Rules 2021, the Trustee may, in the conduct of the trusts of this Trust Deed instead of acting personally, employ and pay an agent on any terms, whether or not a lawyer or other professional person, to transact or conduct, or concur in transacting or conducting, any business and to do or concur in doing all acts required to be done by the Trustee (including the receipt and payment of money) with the consent of Issuer and provided the Trustee shall have exercised reasonable care in the selection of any such agent. the Trustee shall not be responsible for any loss, liability, expense, demand, cost, claim or proceedings incurred by reason of the misconduct, omission or default on the part of any person appointed by it hereunder or be bound to supervise the proceedings or acts of any such person;

Confidential information: the Trustee shall not (unless required by law or ordered so to do by a court of competent jurisdiction) be required to disclose to any Bondholder confidential information or other information made available to the Trustee by the Issuer in connection with this Trust Deed and no Bondholder shall be entitled to take any action to obtain from the Trustee any such information.

Determination of Coupon Rate: the Trustee shall determine Applicable Coupon Rate in accordance with Condition of the Bond.

Exercise of Discretion

action whatsoever in connection with or under or pursuant to the Bonds unless directed to do so by the holders of not less than 66 2/3 percent in principal amount of the Bonds then outstanding or if so directed by an Extraordinary Resolution of Bondholders.

The Trustee will not be responsible for any loss, expense, damage, claim, cost, charge or liability which may be suffered as a result of any exercise or non-exercise of a discretion or the making or failure to make any determination or the taking or failure to take any action by the Trustee, acting on the directions of the Bondholders as aforesaid or pending the provision of such a direction.

SECTION 9: RIGHTS AND OBLIGATION OF THE ELIGIBLE INVESTORS (BONDHOLDERS)

Rights and Obligations of the Issuer have been incorporated from the Trust Deed executed between the Issuer (United Commercial Bank PLC) and the Trustee (Prime Bank Investment Limited)

Each investor (Bondholder) shall enter into a separate Subscription Agreement with the Issuer and shall be bound by the terms and conditions contained in such Subscription Agreement containing in details the rights and obligations of the investors, and which shall be an integral part of this Trust Deed.

The rights of the Bondholder are several and any debt or other obligation arising under the Subscription Agreement at any time from the Issuer to any other Bondholder(s) shall be a separate and independent debt. Each Bondholder will be entitled to protect and enforce its individual rights independently of any other Bondholder and it shall not be necessary for any other Bondholder(s) to be joined as an additional party in proceedings for such purpose.

Each Bondholder has the right to demand information from the Issuer as set out in this Trust Deed and the Condition attached in Schedule 1 (Terms and Conditions of the Bonds).

Each Bondholder has the right to receive coupon on the Bond on the Coupon Payment Date as set out in the Condition attached in Schedule 1 (Terms and Conditions of the Bonds).

Each Bondholder has the right to attend meeting of the Bondholders and vote therein in accordance with Condition 13 (Meetings of Bondholders, Modification, Waiver and Substitution).

The Issuer shall fully indemnify the Bondholder(s) from and against any expense, loss, damage or liability which any of them may incur as per provisions of this Trust Deed in connection with the enforcement, protection or preservation of any right or claim of the Bondholders under the Transaction Documents.

SECTION 10: RIGHTS AND OBLIGATION OF THE ISSUE MANAGER(S)

Rights and Obligations of the Issue Manager have been incorporated from the Issue Management Agreement executed between the Issuer (United Commercial Bank PLC) and the Issue Managers (Prime Finance Capital Management Limited and Sonali Investment Limited).

The ISSUE MANAGER(S) warrants and represents to ISSUER that.

**Independent Auditor's Report
To the Shareholders of United Commercial Bank PLC**

Report on the Audit of the Consolidated and Separate Financial Statements

Opinion

We have audited the consolidated financial statements of United Commercial Bank PLC and its subsidiaries (the "Group") as well as the separate financial statements of United Commercial Bank PLC (the "Bank"), which comprise the consolidated and separate balance sheets as at 31 December 2022 and the consolidated and separate profit and loss accounts, consolidated and separate statements of changes in equity and consolidated and separate cash flow statements for the year then ended, and notes to the consolidated and separate financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying consolidated financial statements of the Group and separate financial statements of the Bank give a true and fair view of the consolidated financial position of the Group and the separate financial position of the Bank as at 31 December 2022, and of its consolidated and separate financial performance and its consolidated and separate cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) as explained in note no. 2.1.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated and Separate Financial Statements section of our report. We are independent of the Group and the Bank in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), guidelines issued by Bangladesh Bank, and rules and regulations issued by Bangladesh Securities and Exchange Commission (BSEC), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code and the Institute of Chartered Accountants of Bangladesh (ICAB) Bye-Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated and separate financial statements of the current period. These matters were addressed in the context of our audit of the consolidated and separate financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter described below our description of how our audit addressed the matter is provided in that context.

| Description of key audit matters | Our response to key audit matters |
|---|---|
| 1. Measurement of provision for loans and advances | |
| Refer to note no. 7, 12.1, 12.2 and 35 to the consolidated and separate financial statements | |
| <p>The process of estimating provision for loans and advances associated with credit risk is judgmental and complex. While estimating such provision certain judgmental factors need to be considered including:</p> <ul style="list-style-type: none"> • Future business performance of the borrower; • Key assumptions relating to further business; • Performance of the borrower; • Market value of the collateral; • Ability to repossess collateral; and • Recovery rates. <p>Furthermore, these provisions are processed manually using the voluminous data extracted from the IT system of the Bank and following the instructions of Bangladesh Bank (the central bank of Bangladesh) issued from time to time.</p> <p>As at 31 December 2022, the Group and the Bank reported total provision for loans and advances of BDT 19,208 million (December 2021: BDT 16,584 million) and BDT 19,208 million (December 2021: BDT 16,584 million) respectively.</p> | <p>We tested the design and operating effectiveness of key controls focusing on the following:</p> <ul style="list-style-type: none"> • Credit monitoring and provisioning process; • Identification of loss events including early warning indicator and default warning indicators; and • Review of quarterly Classification of Loans (CL); <p>Our substantive procedures in relation to the provision for loans and advances portfolio comprised the following:</p> <ul style="list-style-type: none"> • Reviewed the adequacy of the provision requirements; • Assessed the methodologies on which the provision amounts are based, recalculated the provisions and tested the completeness and accuracy of the underlying information; and • Finally, assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines. |
| 2. Recognition of interest income from loans and advances | |
| Refer to note no. 7 and 20 to the consolidated and separate financial statements | |
| <p>Recognition of interest income has significant and wide influence on financial statements.</p> <p>Recognition and measurement of interest income has involvement of complex IT environment.</p> <p>We have identified recognition of interest income from loans and advances as a key audit matter because this is one of the key performance indicators of the Bank and therefore there is an inherent risk of fraud and error in recognition of interest by management to meet specific targets or expectations.</p> <p>At the year ended 2022, the Group and the Bank reported total gross interest income from loans and advances of BDT 31,484 million (January 2021 to December 2021: BDT 27,465 million)</p> | <p>We tested the design and operating effectiveness of key controls over recognition and measurement of interest from loans and advances.</p> <p>We have performed test of operating effectiveness on automated control in place to measure and recognize interest income.</p> <p>We have also performed substantive procedure to check whether interest income is recognized completely and accurately.</p> <p>We have assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines.</p> |

| and BDT 30,868 million (January 2021 to December 2021: BDT 26,804 million) respectively. | |
| 3. Loans and advances | |
| Refer to note no. 7 to the consolidated and separate financial statements | |
| <p>Loans and advances are the main element of financial statements of the Bank. Interest income of the Bank is mainly dependent on the portfolio of loans and advances. Management performance is highly dependent on the target achievement of loans and advances. Loans and advances disbursement requires robust documentation followed by approval from appropriate level of authority.</p> <p>We have identified loans and advances as key audit matter because there is an inherent risk of fraud in disbursement of loans and advances by management to meet specific targets or expectations.</p> <p>At the year ended 2022, the Group and the Bank reported total gross loans and advances of BDT 474,640 million (December 2021: BDT 408,310 million) and BDT 468,605 million (December 2021: BDT 402,482 million) respectively.</p> | <p>We tested the design and operating effectiveness of key controls focusing on credit appraisal, loans and advances disbursement procedures and monitoring process of loans and advances.</p> <p>We have performed procedure to check whether the Bank has ensured appropriate documentation as per Bangladesh Bank regulations and the Bank's policy before disbursement of loans and advances. In addition, we have performed procedure to check whether the loans and advances are recorded completely and accurately and that are existed at the reporting date.</p> <p>Furthermore, we have assessed the appropriateness of disclosures against Bangladesh Bank guidelines.</p> |
| 4. Impairment assessment of unquoted shares | |
| Refer to note no. 6b to the consolidated and separate financial statements | |
| <p>In the absence of quoted price in an active market, the fair value of unquoted shares and securities, especially any impairment is calculated using valuation techniques which may take into consideration direct or indirect unobservable market data and hence requires an elevated level of judgement and assumption.</p> <p>Due to high level of judgment and assumption involved in evaluating the impairment assessment of unquoted shares, we considered this to be a key audit matter.</p> | <p>We assessed the process and controls put in place by the Bank to ensure all major investment decisions are undertaken through a proper due diligence process.</p> <p>We have tested a sample of investment valuation as at 31 December 2022 and compared our results to the recorded value.</p> <p>Finally, we have assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines.</p> |
| 5. Valuation of treasury bills and treasury bonds | |
| Refer to note no. 6a and 6.1 to the consolidated and separate financial statements | |
| The classification and measurement of treasury bills (T-Bills) and treasury bonds (T-Bonds) require judgment and complex estimates. | We assessed the processes and controls put in place by the Bank to identify and confirm the existence of treasury bills and treasury bonds. |

6. Carrying value of investment in subsidiaries by the Bank
Refer to note no. 9 and 9.6 to the consolidated and separate financial statements

| | |

| <p>The Bank has invested in equity shares of its four subsidiaries namely UCB Stock Brokerage Limited, UCB Investment Limited, UCB Asset Management Limited, and UCB Fintech Company Limited. As at 31 December 2022 the carrying value of these Investments is BDT 7,500 million (December 2021: BDT 5,500 million).</p> <p>At the time of conducting our audit of the separate financial statements of the Bank we have considered the recoverable value of the Bank's investments in the above subsidiaries stated at cost. Further, the subsidiary UCB Fintech Company Limited continuing its operation having retained loss of Taka 2,281 million as at 31 December 2022.</p> <p>The Bank is required to perform impairment test of investments in subsidiaries when impairment indication exists. The impairment testing is considered to be a key audit matter due to the complexity and judgements required in determining the assumptions to be used to estimate the recoverable amount which is higher of fair value less costs to sell and value in use.</p> <p>Management has conducted impairment assessment and calculated recoverable value of its subsidiaries in accordance with IAS 36: Impairment of Assets.</p> | <p>We have reviewed management's analysis of impairment assessment and recoverable value calculation of the subsidiaries in accordance with IAS 36: <i>Impairment of Assets</i>. In addition, as per IAS-27: <i>Separate Financial Statements</i>, when an entity prepares separate financial statements, it shall account for investment in subsidiaries, joint ventures and associates either at cost, as per IFRS-9 and using equity method as per IAS-28. Here, the Bank followed the recognition of investment in subsidiaries at cost.</p> <p>In particular, our discussion with the management was focused on the continued appropriateness of the used model, the key assumption used in the model, the reasonably possible alternative assumptions, particularly where they had the most impact on the value in use calculation. Further, UCB Fintech Company Limited having continuous loss working on a 10 years strategic plan to recover its loss and being a profitable entity.</p> <p>We also checked mathematical accuracy of the model, inputs used in the determination of assumptions within the model were challenged and corroborating information was obtained with reference to external market information, third-party sources.</p> |

Other Matter

The consolidated financial statements of the Group and also separate financial statements of the Bank as at and for the year ended 31 December 2021 were audited by MABS & J Partners, Chartered Accountants, who expressed an unmodified opinion on those statements on 30 March 2022.

Other Information

Management is responsible for the other information. The other information comprises all of the information but does not include the consolidated and separate financial statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated and separate financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated and separate financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated and separate financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and those Charged with Governance for the Consolidated and Separate Financial Statements and Internal Controls

Management is responsible for the preparation and fair presentation of the consolidated financial statements of the Group and also separate financial statements of the Bank in accordance with IFRSs as explained in note no. 2.1, and for such internal control as management determines is necessary to

enable the preparation of consolidated and separate financial statements that are free from material misstatement, whether due to fraud or error. The Bank Company Act, 1991 (as amended up to date) and the Bangladesh Bank regulations require the Management to ensure effective internal audit, internal control and risk management functions of the Group and the Bank. The management is also required to make a self-assessment on the effectiveness of anti-fraud internal controls and report to Bangladesh Bank on instances of fraud and forgeries.

In preparing the consolidated and separate financial statements, management is responsible for assessing the Group's and the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group and the Bank or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's and the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated and Separate Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated and separate financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated and separate financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated and separate financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's and Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated and separate financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated and separate financial statements, including the disclosures, and whether the consolidated and separate

financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated and separate financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

In accordance with the Companies Act, 1994, the Securities and Exchange Rules, 2020, the Bank Company Act, 1991 (as amended up to date) and the rules and regulations issued by Bangladesh Bank, we also report that:

- (i) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- (ii) to the extent noted during the course of our audit work performed on the basis stated under the Auditor's Responsibilities for the Audit of the Consolidated and Separate Financial Statements section in forming the above opinion on the consolidated financial statements of the Group and the separate financial statements of the Bank and considering the reports of the Management to Bangladesh Bank on anti-fraud internal controls and instances of fraud and forgeries as stated under the Management's Responsibility for the financial statements and internal control:
 - (a) internal audit, internal control and risk management arrangements of the Group and the Bank as disclosed in the financial statements appeared to be materially adequate;
 - (b) nothing has come to our attention regarding material instances of forgery or irregularity or administrative error and exception or anything detrimental committed by employees of the Group and the Bank;

SECTION 18: DESCRIPTION OF TRUSTEE

Prime Bank Investment Ltd (PBIL) a subsidiary of Prime Bank Ltd started its journey from April 28, 2010 vide certificate of incorporation no. C-84266/10. It is one of the leading investment banks of the country with a paid-up capital of BDT 3,000 million. The PBIL has been operating actively in the capital market since 2006 and its management has over one decade of experience. The Board of Directors consists of highly experienced scholars including economists and the people with entrepreneurial track records and business development.

The functions of investment banking were separated from Prime Bank Limited by forming a subsidiary company in terms of Bangladesh Bank's BRPD circular no. 12 dated 14 October 2009. Bangladesh Securities and Exchange Commission (SEC) thereafter issued a full-fledged merchant banking license in favor of Prime Bank Investment Limited, vide letter no. SEC/Reg/MB/SUB/2010/03/208 dated 02 June 2010 with effect from 01 June 2010.

Being one of the largest investment banks in the country, the PBIL offers various services such as mergers and acquisitions related services, business valuation, syndication and structured finance, issue management, corporate advisory, trustee, underwriting and portfolio management services to its clients. Considering its strong clientele base, expertise of its management and support from the parent company, the PBIL has the competitive advantage in providing investment banking-related services to its clients.

Emerging Credit Rating Ltd

CREDIT ANALYSIS

Corporate Bond

2023 Surveillance Review

UCB 2nd Perpetual Bond

Major Rating Factors

- Strengths**
- Surplus SLR & CRR against the requirements
 - Consistent performance in credit and deposit
 - Increase in post-tax profit
 - Experienced management team
- Challenge/Risks**
- Gradual decline in CRAR over the years
 - Large amount of NPL with high concentration on bad loans
 - High level of large loan

Rationale Emerging Credit Rating Limited (ECRL) has affirmed **A+_B** (Pronounced as Single A Plus Bond) long term credit rating to UCB 2nd Perpetual Bond (*hereinafter referred to as "Perpetual Bond" or "The Bond" or "The Issue"*) issuance of BDT 3,000.00 million in face value based on audited financials of FY2019-2022 and other available information up to the date of rating declaration. The outlook on the rating is **Stable**. The outlook on the rating is **Stable**. The rating is consistent with ECRL's methodology for this type of Bond rating.

The ratings reflect the strengths of the bank which is backed by experienced top-level management, improved in post-tax profit, consistent performance in gross loans and deposits, as well as surplus SLR & CRR against the requirements. However, ECRL is concerned about the large amount of NPL with high concentration on bad loans, high level of large loan and gradual decline in CRAR over the years.

The Bond will be issued to raise additional Tier-I capital to strengthen the capital base of United Commercial Bank PLC in accordance with Bangladesh Bank's Guidelines on Risk-Based Capital Adequacy. The bond is unsecured, contingent-convertible, fully paid up, non-cumulative, BASEL III compliant, perpetual debt instrument for inclusion in additional tier I capital. The Bond is perpetual i.e. there is no maturity date and there are no step-ups or other incentives to redeem. However, there is a call option which could be exercised by the issuer only after 10 (ten) years of issuance, with prior approval from the Bangladesh Bank and subject to meeting some conditions.

In terms of performance of the issuer, the CRAR of the bank remained 13.06% and tier-I ratio remained 9.01% which are above the regulatory requirement. During the year, higher NPL has led to a greater increase in the risk weighted assets of the bank. This, in conjunction with reduction in Tier-2 capital of the bank due to principal repayment of subordinated bond has resulted in a fall in the CRAR of the bank. Furthermore, ECRL is concerned about the gradual decline in the bank's Capital-to-risk Weighted Assets Ratio (CRAR) over the period under review. Nevertheless, the bank has maintained the minimum capital requirement of 12.50% in FY2022. However, as mentioned earlier, if the increasing trend of the NPL continues, it will have an adverse impact on the CRAR of the bank, which will prove to be challenging for the bank to maintain its CRAR in future.

Total asset base UCB is experiencing a growing trend over the years mainly fueled by consistent broadening of the gross loan portfolio. However, the growth rate has narrowed down as compared to previous year mainly due to reduced investment in government bonds and treasury bills, and balances with other banks' and financial institutions in Bangladesh. In FY2022, total asset base of the bank grew by 11.10% and stood at BDT 628,076.83 million from BDT 565,314.21 million in the previous year. In the meantime, gross loans and advance portfolio of the bank grew by 16.43% as opposed 14.44% in FY2021 and reached to BDT 468,605.10 million from BDT 402,481.74 million. On the other hand, non-performing loans (NPL) of the bank has significantly increased by 58.30% and reached BDT 28,077.69 million in FY2022 as opposed to BDT 17,737.29 million in FY2021 indicating a deteriorating asset quality. If NPL increases further in the coming years, it will increase the risk-weighted asset of the bank which will ultimately have an adverse impact on the CRAR of the bank. Meanwhile, concentration of NPLs followed a similar trend to previous year with bad loans being 93.06% of the total NPL (97.69% in FY2021), followed by 5.72% sub-standard loans (1.60% in FY2021), and 1.22% doubtful loans (0.71% in FY2021). The bank met its requirement in terms of provision requirement of BDT 19,208.24 million and there was no surplus or shortfall in provision. Due to the swelling of NPL during the year, BDT 5,960.42 million was credited to the interest suspense account of the bank. On the other hand, BDT 3,120.71 million was recovered from interest suspense account during the year whereas BDT 65.20 million was waived and BDT 1,153.16 million was written off.

By the end of year 2022, UCB rescheduled loans totaling BDT 24,175.90 million against 192 accounts whereas it was BDT 5,387.91 million against 51 accounts in the previous year. The amount of rescheduled loan has increased by 348.71% over the years whereas number of accounts against which loans were rescheduled increased by 276.47%. Moreover, UCB has written off of BDT 4,232.49 million of its loans and advances during the period FY2022 whereas it was only BDT 533.99 million in FY2021. At the end of the year, the NPLs, rescheduled loans and written-off loans together represented only 12.05% of the loan book of the bank, exhibiting a dramatic uplift from 5.88% in the previous year.

UCB has high exposure to large loan portfolio. In FY2022, although exposure to large loans (including funded and non-funded loans exceeding 10% of the bank's total capital) decreased compared to the previous year, the exposure is still high. The balance of these loans amounted to BDT 242,979.10 million to 40 customers, down from BDT 244,994.41 million to 41 customers in the previous year. However, UCB's large loan accounts for 52.28% of total loans and advances in FY2022 slightly higher from 60.87% in FY2021 signifying the colossal dependency on few borrowers.

Multiple irregularities in the banking sector came to light in the latter half of the FY2022, which hindered the confidence of the depositors and consequently they started to withdraw their deposits from banks. However, despite the prevailing pressure on deposits UCB's deposit base has experienced a moderate rise of 9.27% as compared 12.03% growth in FY2021. The bank has kept its ADR ratio within the regulatory requirement of Bangladesh Bank of 87% during FY2022 and scored 86.14% in the loan to deposit ratio which shows further room for credit facilities to be offered. In addition, UCB has been maintaining Cash Reserve Ratio (CRR) and Statutory Liquidity Requirement (SLR) in line with Bangladesh Bank requirement.

UCB has experienced a significant escalation of 15.96% in its interest income, reaching BDT 31,684.84 million in FY2022 compared to BDT 27,323.65 million in the previous year majorly driven by increase in interest income from its rising loans and advance portfolio. However, this growth was slightly surpassed by the banks interest expense, resulting in a comparatively lower growth of 9.54% in the net interest income which stood at BDT 14,674.45 million in FY2022, compared to a notable growth of 40.85% in the previous year. Additionally, there was a significant uplift of 21.23% in non-interest income, primarily driven by outstanding exchange gain by the bank. The exchange gain of the bank increased by 123.72% in FY2022 and reached

BDT 3,515.71 million from BDT 1,571.48 million in the prior year. Consequently, the total operating income of the bank exhibited a 14.92% boost in FY2022, reaching BDT 28,552.74 million compared to the previous year's growth rate of 21.14%.

In contrast, total operating costs of UCB grew at a slightly higher rate as compared to total operating income resulting in a marginal escalation in the cost to income ratio, standing at 59.79% during this year, which was 58.97% in the prior year. Despite rising costs, higher operating income resulted in a 12.62% boost in pre-provision profit, reaching at BDT 11,468.77 million in FY2022. On the other hand, although increased provision expense has narrowed down the profit before tax of the bank, lower tax expense has enabled the bank to portray a 26.65% growth in the net profit after tax reaching at BDT 4,024.01 million in FY2022 from BDT 3,177.17 million in FY2021. Furthermore, average interest spread of UCB witnessed a slight increase and ended at 4.16% in FY2022 compared to 4.04% in FY2021.

The **Stable** rating outlook reflects ECRL's expectations that UCB is likely to maintain its business growth and consistency in matching maturities of assets and liabilities, and the bank will adopt stricter policies and actions to improve asset quality.

Capital adequacy focuses on the overall capital soundness of a bank in order to protect depositors and other creditors from the bank's potential losses. Therefore, under Basel III, Bangladesh Bank has adopted various risk-based capital requirements, requiring each bank to hold a minimum capital of 12.50% along with a capital conservation buffer that includes a minimum core capital ratio of 6.00% is required.

Tier 1 capital increased by 5.71%, mainly due to increases in statutory reserves and paid up capital. Meanwhile, the Bank's Tier 2 capital decreased by 11.13% due to the repayment of subordinated debt and the reduction of provision for unclassified loans. As a result, the Bank's total capital (Tier-I and Tier-II) decreased slightly by 0.16% from BDT 52,756.93 million in FY2021 to BDT 52,673.82 million at the end of FY2022.

At the same time, the bank's risk-weighted assets increased by 4.27% to reach BDT 403,261.21 million by the end of FY2022. Tier I capital grew faster than risk-weighted assets and ultimately Tier I ratio improved year-on-year. However, total capital growth slowed as Tier II capital decreased relative to total risk-weighted assets. As a result, the capital to risk weight ratio deteriorated slightly from 13.64% a year earlier to 13.06%. ECRL is concerned about the gradual decline in the bank's Capital-to-risk Weighted Assets Ratio (CRAR) over the period. Nevertheless, the bank has maintained the minimum capital requirement of 12.50% in FY2022.

UCB's total asset base showed year-on-year growth from FY2019 to FY2022. According to financial data, asset book of UCB has witnessed a growth rate of 11.10% by standing at BDT 628,076.83 million in FY2022 while a slight increase growth rate of 14.60% was experienced by the bank in the prior financial year by standing at BDT 565,314.21 million. Looking at the composition of total assets, the gross loans & advances is the main component which occupied majority portion of 74.61% of total assets in FY2022. However, total asset growth slowed year-over-year, mainly due to reduction in the bank's investment portfolio and balances with other banks' & financial institutions in Bangladesh.

B.2.1. Asset Quality

Gross loans, the main component of total assets, soared by 16.43% and reached at BDT 468,605.10 million in FY2022 compared to 14.44% growth in the previous year.

In the meantime, the investment portfolio of the bank reduced by 6.09% followed by a 52.26% decline in investment in government treasury bills and 0.62% decline investment in government bonds. Consequently, total investment portfolio of the bank reached to BDT BDT 76,434.56 million in FY2022 down from BDT 81,387.61 million in FY2021.

Figure 5: Selected Indicators of UCB

With rising loans and advances, non-performing loans (NPLs) increased by 58.30% compared to BDT 17,737.29 million in the previous year, reaching BDT 28,077.69 million by the end of FY2022, ultimately resulting in a total non-performing loan ratio for FY2022 of 5.99% which was 4.41% a year ago.

Non-performing loans (NPL) of the bank is mainly comprised of bad loans. Among the total non-performing loans, 93.06% (FY2021:97.69%) are classified as Bad Loans, 5.72% (FY2021:1.06%) as Sub-standard Loans, and remaining 1.22% (FY2021: 0.71%) is recorded as Doubtful Loans. Therefore, this result suggests that bank has greater concentration on the bad loss loan in its non-performing loan over the years. Furthermore, it should be noted that unclassified loans and advances constitutes of 2.32% of Standard (SMA) Loans, 97.28% of Standard Loans and 0.40% of SMA-Special RSDL (BRPD-5) Loans.

As noted above, UCB's non-performing loans registered an increase in FY2022 however the loan loss reserve ratio was observed to decline through the end of FY2022. On the other side, the bank met its requirement in terms of provision requirement of BDT 19,208.24 million and there was no excess or deficiency of provision. However, as NPL exceeded the required reserves, banks' loan loss reserve coverage ratio fell from 93.50% to 68.41% in FY2022.

4,232.49 million of its loans and advances during the period FY2022 whereas it was only BDT 533.99 million in FY2021. At the end of the year, the NPLs, rescheduled loans and written-off loans together represented only 12.05% of the loan book of the bank, exhibiting a dramatic uplift from 5.88% in the previous year.

B.2.4. Large Loan Exposure

In FY2022, exposure to large loans (including funded and unfunded loans exceeding 10% of the bank's total capital) decreased compared to the previous year. The balance of these loans amounted to BDT 242,979.10 million to 40 customers, down from BDT 244,994.41 million to 41 customers in the previous year.

B.2.5. Off-Balance sheet exposure

The off-balance sheet exposure of UCB is consisted of 43.88% of acceptance & endorsements, 27.51% of letter of guarantee, 18.45% of irrevocable letters of credit, 9.42% of bills for collection and 1.04% of forward assets in FY2022. Hence, Accordingly, UCB reported total off-balance sheet exposure of BDT 217,939.76 million, down 16.31% in FY2022, compared with an increase of 29.69% in the previous year. Moreover, the off-balance sheet items of the bank accounted for 34.70% of the total assets of the bank in FY2022 (FY2021: 46.07%) demonstrating reduced exposure during this year compared to FY2021.

FY2019-FY2022 data extracted from Audited Financial Statements

Credit demand is gaining momentum across the banking sector as the economy reopens after the pandemic. Facilitated by higher gross loans and advances, interest income on loans and advances of the bank surged by 15.16% which eventually led to a 15.96% total interest income of the bank. Similarly, rise in the deposit base of the bank along with borrowings and other uncategorized liabilities have resulted in a hike in total interest expense of the bank. The increase in interest expenses surpassed the growth in interest income of the bank which shrunk the growth of net interest expense of the year. In line with this, net interest income of UCB increased by 9.45% in FY2022, totaling BDT 14,674.45 million, compared to a 40.85% growth in the prior year.

In addition, the growth of the Bank's investment portfolio also generated higher investment returns throughout the year. On the other hand, non-interest income decreased by 67.08% in FY2022 to reach BDT 187.75 million as capital gains from the sale of shares in FY2022 decreased significantly. At the same time, commission income, fees, exchange & brokerage as well as other operating income has increased by 37.63% and 19.55% respectively in FY2022. As a result, the total operating income of the bank has surged by 14.92% by standing at BDT 28,522 million during the year under review.

UCB's total operating expenses increased by 16.51% to reach BDT 17,053.97 million in FY2022. As a result, the cost-to-income ratio has risen at 59.792% this year, up from 58.97% last year. Finally, improved operating profit growth led to a 12.62% increase in profit before provision adjustment, bringing the total for FY2022 to BDT 11,468.77 million. Nevertheless, the Bank still managed to generate a higher pre-tax profit compared to the previous year, even though the Bank's provision costs increased significantly during the year due to the increase in non-performing loans. On the other hand, the increase in tax charges could not reduce the bank's after-tax profit, which was BDT 4,024.01 million in FY2022 compared to BDT 3,177.17 million in FY2021. Additionally, UCB's average interest margin decreased slightly to 2.80% in FY2022 compared to 2.89% in FY2021.

FY2019-2022 data extracted from Audited Financial Statements

B.4.1. Fund Management

UCB's funding comes from its deposit base, interbank liabilities, uncategorized other liabilities, equity and subordinated debt. Majority of the funding comes from its deposit base making up 67.83% of UCB's total liabilities and equity base at the end of FY2022, with interbank liabilities accounting for 16.54%, followed by uncategorized other liabilities (9.11%), equity (6.52%), and subordinated debt accounting for the rest 1.83%. Multiple irregularities in the banking sector came to light in the latter half of the FY2022, which hindered the confidence of the depositors and consequently they started to withdraw their deposits from banks. However, despite the prevailing pressure on deposits UCB's deposit base has improved moderately by 9.27% in FY2022 compared to a growth of 10.15% in FY2021. Fixed deposits remain the major component of the deposit base displaying a 9.00% growth over the previous year and constituting 56.08% of the total deposits and 38.04% of the total funding base. Meanwhile, the bank is consistently increasing its attention on current and saving deposits over the years which are comparatively low cost deposits. Following this, the current deposit and saving deposit of the bank grew by 16.12% and 6.37% respectively in FY2022. On the other hand, bills payable experienced a decrease of 20.68% by the end of FY2022. Nonetheless, the composition of the components of the deposits followed a similar trend as the preceding years. In the meantime, interbank liabilities of the bank have increased consistently over the years except for FY2019. The dependence for funding from interbank liabilities increased further by 21.08% in FY2022.

The bank has kept its ADR ratio within the regulatory requirement of Bangladesh Bank of 87% during FY2022 and scored 86.14% in the loan to deposit ratio which shows further room for credit facilities to be offered. The net loans (subtracting provision and interest suspense account from gross loans) were 158.91% of the stable funding base in 2022 which was 146.77% in previous year.

UCB has been maintaining Cash Reserve Ratio (CRR) and Statutory Liquidity Requirement (SLR) in line with Bangladesh Bank requirement. The CRR and SLR requirement of UCB against conventional banking was BDT 17,759.78 million and BDT 58,652.44 million as on December 31, 2022. The bank kept BDT 18,485.34 million and BDT 75,926.83 million respectively for CRR and SLR as on December 31, 2022. Total surplus amount from CRR and SLR stood at BDT 725.57 million and BDT 17,274.39 million in FY2022 respectively. In the meantime, The CRR and SLR requirement of UCB against Islamic banking is BDT 314.14 million and BDT 431.95 million as on December 31, 2022 against which UCB kept BDT 386.24 million and BDT 653.06 million respectively. Total surplus amount from both CRR and SLR against Islamic banking stood at BDT 72.10 million and BDT 221.11 million in FY2022 respectively.

The maturity-based asset and liability profile of UCB are distributed over different time horizons. The bank had net liquidity gap in 1 – 3 months, and over 5 years bracket in FY2022 and shown surplus net liquidity in all other brackets. Eventually, the total net liquidity comprising all maturity periods in FY2022 has resulted in net cumulative surplus.

C. MARKET RISK ANALYSIS

Markets risks of a Perpetual Bond may arise due to uncertainty related to the interest/profit rate risk, limited subscriber risk, call risk etc. Moreover Bond by nature is exposed to many sources of risk. The term structure of the interest rate/profit rate can shift and twist in different ways. Issuers may default due to sector wide problems or individual credit difficulties.

The Perpetual Bond is sensitive towards both market and company specific risks. All investments which offer a balance between risk and potential return are graded to be the higher rated investment. The balance between risk and return varies by the type of investment (in this case Perpetual Bond), the entity that issues it, the state of the economy and the cycle of the securities markets.

The entity in discussion will issue an Unsecured, Contingent-Convertible, fully paid up, Non-Cumulative Perpetual Bond of BDT 3,000.00 million for the purpose of strengthening Tier I capital base. UCB Investment Limited has been acting as the mandated lead arranger whereas trustee of the bond is Prime Bank Investment Limited. ECRL considered the following risk analysis related to the both market and instrument specific risk.

C.1. Coupon Rate Risk

Coupon rate risk affects the value of Bonds that arises when an investment's value will change due to a change in the absolute level of interest/profit rates. An upward movement of the market interest rate over the term deposit will generate a higher return of the Bond than benchmark rate. But the rate of return will not fall below 6.00% p.a. lowering the risk of the potential investors. In addition, on the part of the bank, coupon rate risk is also mitigated by the coupon ceiling rate of 10.00% p.a. which means at no circumstance the coupon rate will go above 10.00% p.a.

C.2. Call risk

There is a call option for the issuer which can be exercised only after ten years of issuance, with prior approval from the Bangladesh Bank. However, to exercise the call option, the issuer needs to replace this instrument with capital of the same or better quality that are sustainable for the income capacity of the Bank, or, Capital position is above the minimum requirements after the call option is exercised. In this case, the bondholders will lose the expected profit.

D. COMPANY SPECIFIC RISK ANALYSIS

Risk is an integral part of financing business and thus every financial institution is exposed to risk of different type and magnitude. So, the prime responsibility of every financial institution is to manage its risk such that its return from business can be maximized. Banks are exposed to five core risks through their operation, which are Credit Risk, Asset/Liability Risk, Foreign Exchange Risk, Internal Control & Compliance Risk, Money Laundering Risk, and Information & Communication Technology Security Risk. As a prudent and responsible financial institution, the Company attaches top priority to ensuring safety and security of the finances that are being extended.

D.1. Credit Risk

Credit risk is one of the most vital risks for any commercial bank as like United Commercial Bank PLC. Credit risk arises from non-performance by a borrower. It may arise from either an inability or an unwillingness to perform in the pre-commitment contracted manner. The real risk from credit is the deviation of portfolio performance from its expected value. The credit risk of a bank is also effect the book value of a bank. The more credit of a particular is in risk, the more probability of a bank to be insolvent.

D.2. Asset Liability Management Risk

Asset Liability Management (ALM) is an integral part of Bank Management; and so it is essential to have a structured and systematic process to manage the Balance Sheet risk properly. UCB has developed an "Assets Liability Management Committee" comprising of the senior management of the bank to make important decisions related to the Balance Sheet of the bank. It also developed a guideline in line with Bangladesh Bank guidelines to meet abovementioned purpose. The Asset Liability Management Committee (ALCO) of UCB is headed by the Managing Director of the Bank which meets at least once in every month to look after the financial market activities, manage liquidity risk, interest rate risk and FX or currency risk. Asset Liability Management (ALM) desk of the Treasury is primarily responsible for management of liquidity risk on a daily basis by appropriate coordination of funding activities. Asset Liability Management risk can be classified into three major categories such as liquidity risk, interest risk, foreign exchange risk.

D.2.1. Liquidity Risk

Liquidity risk is the potential for loss to a bank arising from either its inability to meet its obligations as they fall due or to fund increases in assets without incurring unacceptable cost or losses. Liquidity risk arises when the cushion provided by the liquid assets are not sufficient enough to meet maturing obligations. Liquidity risk is often triggered by the consequences of other financial risks such as credit risk, interest rate risk, foreign exchange risk, etc. For instance, a large loan default or changes in interest rate can adversely impact a bank's liquidity position. Loans to deposit ratio indicates a banks liquidity position and UCB's loans deposit ratio stood at 83.73% in December 2021 which indicates the overall liquidity position is in satisfactory level. UCB's Asset Liability Committee (ALCO) is entrusted with the responsibility of managing short-term and long-term assets and ensuring adequate liquidity at optimal funding cost. ALCO also reviews liquidity requirement of the bank, the maturity of assets and liabilities, deposit and lending pricing strategy and the liquidity contingency plan.

D.2.2. Interest Rate Risk

Interest rate risk is the possible loss from adverse movements in market interest rates. Changes in interest rates affect a bank's earnings by changing its net interest income and the level of other interest-sensitive income and operating expenses. An investment's value will change due to change in the absolute level of interest rates. Such changes usually affect securities inversely and can be reduced by diversifying or hedging (through an interest rate swap) techniques. The Asset Liability Committee (ALCO) of UCB is the main body which looks after and monitors investment profit rate structure. The committee also evaluate any market risk arises from the regulatory pressure thus reducing the profit rate. Moreover, ALCO committee is always watchful to adverse movement of the different market variables.

D.2.3. Foreign Exchange Risk

Foreign exchange risk is the current or prospective risk to earnings and capital arising from adverse movements in currency exchange rates. Managing foreign exchange risk involves prudently managing foreign currency positions in order to control, within set parameters, the impact of changes in exchange rates on the financial position of the bank. Introduction of market based exchange rate of Taka has resulted in both trading opportunities and associated foreign exchange volatility risk. UCB has developed a "Foreign Exchange Risk Management Policy" complying with the Bangladesh Bank guideline in order to identify and combat the foreign exchange risk. UCB has formed Exchange Operation Department to make sure of timely, properly and authentic reporting to regulatory authority.

D.3. Operational Risk

Bangladesh Bank defines operational risk as the risk of loss resulting from inadequate or failed internal processes, people and systems or from external events. This operational risk also includes legal risks but not strategic and reputational risks.

D.3.1. Anti-Money Laundering Policy

Money laundering risk refers to acquired or earned properties directly or indirectly through illegal means. In boarder sense, illegal transfer, conversion, concealment of location or assistance in the above act of the properties acquired or earned directly or indirectly through legal or illegal means. So Anti Money Laundering risk is defined as the loss of reputation and expenses incurred as penalty for being negligent in prevention of money laundering activities. UCB has formulated a guideline on AML and ATF issues since in line with the amendment of the AML Act 2012 made by the Government. Central Compliance Unit (CCU) is in force headed by the Chief Anti Money Laundering Compliance (CAMLCO) at Head Office and Branch Compliance Unit (BCU) headed by the Branch Anti Money Laundering Compliance Officer (BAMLCO) who is entrusted to comply with BFIU instructions in order to prevent Money Laundering and Combating Financing of Terrorism. In line with this, they independently review the transactions of the accounts to verify suspicious transactions. UCB has also prepared its own policy on "Prevention of Trade Based Money Laundering" on September 29, 2020 based on the BFIU guidelines on the same.

D.3.2. Internal Control and Compliance (ICC)

UCB has a diversified and complex financial activity within the country. Since its activity involves high risk, the issue of effective internal control system, corporate governance, transparency, accountability has become significant issues to ensure smooth performance in banking industry of Bangladesh. In many banks internal control is identified with internal audit; the scope of internal control is not limited to audit work. It is an integral part of the daily activity of a bank, which on its own merit identifies the risks associated with the process and adopts a measure to mitigate the same. Internal Audit on the other hand is a part of Internal Control system which reinforces the control system through regular review. In line with this, it plays an important role in preventing and detecting fraud and protecting the organization's resources. At the organization level, internal control objectives relate to the reliability of financial reporting, timely feedback on the achievement/strategic goals, and compliance with laws and regulations. At the specific transaction level, internal control refers to the actions taken to achieve a specific objective. As per BB requirement, UCB has revised its organogram and structure of internal control and compliance division along with audit division and audit division has been separated from ICCD which will act independently from now. Internal control can provide reasonable not absolute assurance that the objectives of an organization will be met. Effective internal control implies that the organization generates reliable financial reporting and substantially complies with all laws and regulations that apply to it.

D.3.3. Information & Communication Technology (ICT) Security System

Risks surrounding IT, such as network failure, lack of skills, hacking and viruses and poor system integration have the potential to have a negative impact on a Bank. UCB has developed an "ICT Policy" comply with the 'Guideline on information & Communication technology" issued by Bangladesh Bank for protecting the ICT systems. So it becomes prerequisite to establish disaster recovery site for rescuing valued data and to re-establish normal business operation. The bank implemented a disaster recovery site that would be activated in case of disaster, which brought and restored data in authenticated way. The new CORE Banking Software (CBS) of UCB, namely Flexcube UBS of Oracle Financial Systems Software (OFSS), went live from 22nd June 2014. With the implementation of CBS, as the entire Database now reside centrally at the UCB Data Centre as well as the Disaster Recovery Site, the chances of Data corruption and loss has become almost negligible. The bank has also improved its transaction role risk by introducing CBS system. Notably, by implementing CBS system along with the Maker-Checker concept, the bank has improved to reduce its fraud and forgery risk. UCB has implemented Real-time gross settlement systems (RTGS) in 2015. UCB has implemented Expose vulnerability management software to identify latest ICT security threats and to make the workplace more secured. UCB is connected to Bangladesh Bank & other Banks network. So Bank can transfer/receive money and securities in real time. It reduces the cost of exchanging money and services, and is indispensable to the functioning of the interbank, money, and capital markets. To

provide more convenient and efficient service to the customers, the bank has developed the branch automation and delivery channels.

E. MANAGEMENT AND OTHER QUALITATIVE FACTORS

E.1. Corporate Governance

United Commercial Bank PLC focuses on ethics, innovation and transparency for establishing well organized corporate governance within the company. The main objective of UCB's corporate governance is to develop a strong, sustainable and competitive company in the best interest of its shareholders, employees, business associates and society at large. Aligned with the regulatory requirements and guidelines set by the Bangladesh Bank and Bangladesh Securities & Exchange Commission (BSEC), the bank maintains good corporate governance standards. The Board of Directors (BoD) of the bank consists of 20 eminent. The board is headed by Ms. Rukhmila Zaman, the Chairman of BoD. She is a young woman entrepreneur of the country and also the Managing Director of Aramit Group, a leading manufacturing Conglomerate of the country.

The corporate governance system of the bank ensures that duties and responsibilities are appropriately segregated between the BoD and management to provide sufficient checks, balance and flexibility for smooth business operation. The BoD approves the bank's budget and business plan and reviews those time to time so as to give directions as per changing economic and market environment. The BoD reviews the policies and manuals of the various segments of businesses in order to establish effective risk management in credit and other key areas of operations. The BoD also ensures that adequate internal control systems are in place and they are consistently complied with to provide reasonable assurance that financial records are reliable for preparation of financial statements. The BoD further ensures that quality of financial reporting is maintained, assets of the bank are safeguarded against unauthorized use or disposition and accountability for assets and business transactions are maintained. With an objective to monitor and manage the bank's operations, performance and strategy in line with Bangladesh Bank's guidelines, the BoD of UCB has three sub-committees. Details of these committees are presented below.

E.1.1. Executive Committee

The Executive Committee of the UCB consists of 7 members and is headed by Mr. Anisuzzaman Chowdhury. The committee takes decision on emergency matters as and when required and assists the BoD to fulfill its responsibilities such as to set objectives, strategies and overall business plans for effective functioning of the bank. The committee reviews the policies and guidelines issued by the Bangladesh Bank regarding credit and other operations of the banking industry. The Executive Committee of the Board approves the credit proposals as per approved policy of the Board. The management ensures due diligence of the credit policy and risk management at the time of submitting the credit proposals.

E.1.2. Audit Committee

The Audit Committee of UCB is comprised of 5 members of the BoD and is chaired by Mr. Touhid Shipar Rafiquzzaman. This Audit Committee acts as a bridge among the BoD, Executive Authority, Depositors and Shareholders etc. The committee reviews the financial statement of the bank at least on quarterly basis. They conduct various special reviews by the Board Audit Cell, a highly empowered cell working under the committee. Audit Committee meets with the external auditors to discuss audit plan and risk management process of the bank.

E.1.3. Risk Management Committee

Apart from the Executive committee and Audit Committee of the Board, a Risk Management Committee has been formed which is responsible for planning and guiding on overall risk management of the bank. This committee consists of 6 members and is chaired by Mr. M. A. Sabur. This committee's prime responsibilities are to define the risk appetite, designing organizational structure to manage risk within the bank, understanding the inherent risks of the bank, then reviewing and approving risk management policies. The committee is also involved in enforcing and using adequate recordkeeping and reporting systems, reviewing and approving limits and reviewing at least annually and last but not the least monitoring compliance with overall risk management policies and limits.

BOND RATING SYMBOL

| LONG-TERM RATINGS | |
|--|--|
| ECRL's Long-Term Ratings are assigned to debt with maturities of more than one year. These debt ratings specifically assess the likelihood of timely repayment of principal and payment of interest over the term to maturity of such debts. | |
| RATING | |
| AAA | Indicates that the ability to repay principal and pay interest on a timely basis is extremely high. |
| AA | Indicates a very strong ability to repay principal and pay interest on a timely basis, with limited increment risk compared to issues rated in the highest category. |
| A | Indicates the ability to repay principal and pay interest is strong. These issues could be more vulnerable to adverse developments, both internal and external, than obligations with higher ratings. |
| BBB | This grade indicates an adequate capacity to repay principal and pay interest. More vulnerable to adverse developments, both internal and external, than obligations with higher ratings. |
| BB | This rating suggests that likelihood of default is considerably less than for lower-rated issues. However, there are significant uncertainties that could affect the ability to adequately service debt obligations. |
| B | Indicates a higher degree of uncertainty, and therefore, greater likelihood of default. Adverse developments could negatively affect repayment of principal and payment of interest on a timely basis. |
| C | High likelihood of default, with little capacity to address further adverse changes in financial circumstances. |
| D | Payment in default. |

Notes: Long-Term Ratings from AA to B may be modified by the addition of a plus (+) or minus (-) suffix to show relative standing within the major rating categories. Bank-guaranteed issues will carry a suffix (bg), corporate-guaranteed issues, a (cg), issues guaranteed by a financial guarantee insurer (FGI), an (fg), bond issues will carry a suffix (B) and all other supports, an (s) when such guarantees or supports give favourable effect to the assigned rating.

Rating Outlook

ECRL's Rating Outlook assesses the potential direction of the Bond Issuers over the intermediate term (typically over a one to two-year period). The Rating Outlook may either be :

| | |
|------------|---|
| POSITIVE | which indicates that a rating may be raised; |
| NEGATIVE | which indicates that a rating may be lowered; |
| STABLE | which indicates that a rating is likely to remain unchanged; or |
| DEVELOPING | Which indicates that a rating may be raised, lowered or remain unchanged. |

**Independent Auditor's Report
To the Shareholders of United Commercial Bank PLC**

Report on the Audit of the Consolidated and Separate Financial Statements

Opinion

We have audited the consolidated financial statements of United Commercial Bank PLC and its subsidiaries (the "Group") as well as the separate financial statements of United Commercial Bank PLC (the "Bank"), which comprise the consolidated and separate balance sheets as at 31 December 2022 and the consolidated and separate profit and loss accounts, consolidated and separate statements of changes in equity and consolidated and separate cash flow statements for the year then ended, and notes to the consolidated and separate financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying consolidated financial statements of the Group and separate financial statements of the Bank give a true and fair view of the consolidated financial position of the Group and the separate financial position of the Bank as at 31 December 2022, and of its consolidated and separate financial performance and its consolidated and separate cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) as explained in note no. 2.1.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated and Separate Financial Statements section of our report. We are independent of the Group and the Bank in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), guidelines issued by Bangladesh Bank, and rules and regulations issued by Bangladesh Securities and Exchange Commission (BSEC), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code and the Institute of Chartered Accountants of Bangladesh (ICAB) Bye-Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated and separate financial statements of the current period. These matters were addressed in the context of our audit of the consolidated and separate financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter described below our description of how our audit addressed the matter is provided in that context.

| Description of key audit matters | Our response to key audit matters |
|---|---|
| 1. Measurement of provision for loans and advances | |
| Refer to note no. 7, 12.1, 12.2 and 35 to the consolidated and separate financial statements | |
| <p>The process of estimating provision for loans and advances associated with credit risk is judgmental and complex. While estimating such provision certain judgmental factors need to be considered including:</p> <ul style="list-style-type: none"> • Future business performance of the borrower; • Key assumptions relating to further business; • Performance of the borrower; • Market value of the collateral; • Ability to repossess collateral; and • Recovery rates. <p>Furthermore, these provisions are processed manually using the voluminous data extracted from the IT system of the Bank and following the instructions of Bangladesh Bank (the central bank of Bangladesh) issued from time to time.</p> <p>As at 31 December 2022, the Group and the Bank reported total provision for loans and advances of BDT 19,208 million (December 2021: BDT 16,584 million) and BDT 19,208 million (December 2021: BDT 16,584 million) respectively.</p> | <p>We tested the design and operating effectiveness of key controls focusing on the following:</p> <ul style="list-style-type: none"> • Credit monitoring and provisioning process; • Identification of loss events including early warning indicator and default warning indicators; and • Review of quarterly Classification of Loans (CL); <p>Our substantive procedures in relation to the provision for loans and advances portfolio comprised the following:</p> <ul style="list-style-type: none"> • Reviewed the adequacy of the provision requirements; • Assessed the methodologies on which the provision amounts are based, recalculated the provisions and tested the completeness and accuracy of the underlying information; and • Finally, assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines. |
| 2. Recognition of interest income from loans and advances | |
| Refer to note no. 7 and 20 to the consolidated and separate financial statements | |
| <p>Recognition of interest income has significant and wide influence on financial statements.</p> <p>Recognition and measurement of interest income has involvement of complex IT environment.</p> <p>We have identified recognition of interest income from loans and advances as a key audit matter because this is one of the key performance indicators of the Bank and therefore there is an inherent risk of fraud and error in recognition of interest by management to meet specific targets or expectations.</p> <p>At the year ended 2022, the Group and the Bank reported total gross interest income from loans and advances of BDT 51,484 million (January 2021 to December 2021: BDT 27,465 million)</p> | <p>We tested the design and operating effectiveness of key controls over recognition and measurement of interest from loans and advances.</p> <p>We have performed test of operating effectiveness on automated control in place to measure and recognize interest income.</p> <p>We have also performed substantive procedure to check whether interest income is recognized completely and accurately.</p> <p>We have assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines.</p> |

| and BDT 30,868 million (January 2021 to December 2021: BDT 26,804 million) respectively. | |
| 3. Loans and advances | |
| Refer to note no. 7 to the consolidated and separate financial statements | |
| <p>Loans and advances are the main element of financial statements of the Bank. Interest income of the Bank is mainly dependent on the portfolio of loans and advances. Management performance is highly dependent on the target achievement of loans and advances. Loans and advances disbursement requires robust documentation followed by approval from appropriate level of authority.</p> <p>We have identified loans and advances as key audit matter because there is an inherent risk of fraud in disbursement of loans and advances by management to meet specific targets or expectations.</p> <p>At the year ended 2022, the Group and the Bank reported total gross loans and advances of BDT 474,640 million (December 2021: BDT 408,310 million) and BDT 468,605 million (December 2021: BDT 402,482 million) respectively.</p> | <p>We tested the design and operating effectiveness of key controls focusing on credit appraisal, loans and advances disbursement procedures and monitoring process of loans and advances.</p> <p>We have performed procedure to check whether the Bank has ensured appropriate documentation as per Bangladesh Bank regulations and the Bank's policy before disbursement of loans and advances. In addition, we have performed procedure to check whether the loans and advances are recorded completely and accurately and that are existed at the reporting date.</p> <p>Furthermore, we have assessed the appropriateness of disclosures against Bangladesh Bank guidelines.</p> |
| 4. Impairment assessment of unquoted shares | |
| Refer to note no. 6b to the consolidated and separate financial statements | |
| <p>In the absence of quoted price in an active market, the fair value of unquoted shares and securities, especially any impairment is calculated using valuation techniques which may take into consideration direct or indirect unobservable market data and hence requires an elevated level of judgement and assumption.</p> <p>Due to high level of judgment and assumption involved in evaluating the impairment assessment of unquoted shares, we considered this to be a key audit matter.</p> | <p>We assessed the process and controls put in place by the Bank to ensure all major investment decisions are undertaken through a proper due diligence process.</p> <p>We have tested a sample of investment valuation as at 31 December 2022 and compared our results to the recorded value.</p> <p>Finally, we have assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines.</p> |
| 5. Valuation of treasury bills and treasury bonds | |
| Refer to note no. 6a and 6.1 to the consolidated and separate financial statements | |
| <p>The classification and measurement of treasury bills (T-Bills) and treasury bonds (T-Bonds) require judgment and complex estimates.</p> | <p>We assessed the processes and controls put in place by the Bank to identify and confirm the existence of treasury bills and treasury bonds.</p> |

| <p>In the absence of a quoted price in an active market, the fair value of T-Bills and T-Bonds is determined using complex valuation techniques which may take into consideration direct or indirect unobservable market data and complex pricing models which require an elevated level of judgment.</p> | <p>We have obtained an understanding, evaluated the design and tested the operating effectiveness of the key controls over the treasury bills and treasury bonds valuation processes, including controls over market data inputs into valuation models, model governance, and valuation adjustments.</p> <p>We have tested a sample of the valuation models and the inputs used in those models, using a variety of techniques, including comparing inputs to available market data.</p> <p>Finally, we have assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines.</p> |
| <p>6. Carrying value of investment in subsidiaries by the Bank</p> | |
| <p>Refer to note no. 9 and 9.6 to the consolidated and separate financial statements</p> | |
| <p>The Bank has invested in equity shares of its four subsidiaries namely UCB Stock Brokerage Limited, UCB Investment Limited, UCB Asset Management Limited, and UCB Fintech Company Limited. As at 31 December 2022 the carrying value of these investments is BDT 7,500 million (December 2021: BDT 5,500 million).</p> <p>At the time of conducting our audit of the separate financial statements of the Bank we have considered the recoverable value of the Bank's investments in the above subsidiaries stated at cost. Further, the subsidiary UCB Fintech Company Limited continuing its operation having retained loss of Taka 2,281 million as at 31 December 2022.</p> <p>The Bank is required to perform impairment test of investments in subsidiaries when impairment indication exists. The impairment testing is considered to be a key audit matter due to the complexity and judgements required in determining the assumptions to be used to estimate the recoverable amount which is higher of fair value less costs to sell and value in use.</p> <p>Management has conducted impairment assessment and calculated recoverable value of subsidiaries in accordance with IAS 36: Impairment of Assets.</p> | <p>We have reviewed management's analysis of impairment assessment and recoverable value calculation of the subsidiaries in accordance with IAS 36: <i>Impairment of Assets</i>. In addition, as per IAS-27: Separate Financial Statements, when an entity prepares separate financial statements, it shall account for investment in subsidiaries, joint ventures and associates either at cost, as per IFRS-9 and using equity method as per IAS-28. Here, the Bank followed the recognition of investment in subsidiaries at cost.</p> <p>In particular, our discussion with the management was focused on the continued appropriateness of the used model, the key assumption used in the model, the reasonably possible alternative assumptions, particularly where they had the most impact on the value in use calculation. Further, UCB Fintech Company Limited having continuous loss working on a 10 years strategic plan to recover its loss and being a profitable entity.</p> <p>We also checked mathematical accuracy of the model, inputs used in the determination of assumptions within the model were challenged and corroborating information was obtained with reference to external market information, third party sources.</p> |

enable the preparation of consolidated and separate financial statements that are free from material misstatement, whether due to fraud or error. The Bank Company Act, 1991 (as amended up to date) and the Bangladesh Bank regulations require the Management to ensure effective internal audit, internal control and risk management functions of the Group and the Bank. The management is also required to make a self-assessment on the effectiveness of anti-fraud internal controls and report to Bangladesh Bank on instances of fraud and forgeries.

In preparing the consolidated and separate financial statements, management is responsible for assessing the Group's and the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group and the Bank or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's and the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated and Separate Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated and separate financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated and separate financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated and separate financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's and Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated and separate financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and the Bank to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the consolidated and separate financial statements, including the disclosures, and whether the consolidated and separate

financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated and separate financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

In accordance with the Companies Act, 1994, the Securities and Exchange Rules, 2020, the Bank Company Act, 1991 (as amended up to date) and the rules and regulations issued by Bangladesh Bank, we also report that:

- (i) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- (ii) to the extent noted during the course of our audit work performed on the basis stated under the Auditor's Responsibilities for the Audit of the Consolidated and Separate Financial Statements section in forming the above opinion on the consolidated financial statements of the Group and the separate financial statements of the Bank and considering the reports of the Management to Bangladesh Bank on anti-fraud internal controls and instances of fraud and forgeries as stated under the Management's Responsibility for the financial statements and internal control:
 - (a) internal audit, internal control and risk management arrangements of the Group and the Bank as disclosed in the financial statements appeared to be materially adequate;
 - (b) nothing has come to our attention regarding material instances of forgery or irregularity or administrative error and exception or anything detrimental committed by employees of the Group and the Bank;
- (iii) consolidated financial statements of the Bank include 04 (four) subsidiaries, namely UCB Stock Brokerage Limited, UCB Investment Limited, UCB Asset Management Limited, UCB Fintech Company Limited which reflect total assets of BDT 9,972 million, BDT 1,334 million, BDT 1,102 million, BDT 1,666 million respectively as at 31 December 2022 and total revenue

- Financial Reporting Act, 2015.

In case of any requirement of the Bank Company Act 1991 (as amended up to date), and provisions and circulars issued by Bangladesh Bank (BB) differing with those of IFRSs, the requirements of the Bank Company Act 1991 (as amended up to date), and provisions and circulars issued by BB shall prevail. Material departures from the requirements of IFRS are as follows:

i. Presentation of financial statements

IFRS: As per IAS 1, a complete set of financial statements comprises a statement of financial position, a statement of profit or loss and other comprehensive income, a statement of changes in equity, a statement of cash flows, notes comprising a summary of significant accounting policies and other explanatory information and comparative information. IAS 1 has also stated the entity to disclose assets and liabilities under current and noncurrent classification separately in its statement of financial position.

Bangladesh Bank: The presentation of the financial statements in prescribed format (i.e. balance sheet, profit and loss account, cash flow statement, statement of changes in equity, liquidity statement) and certain disclosures therein are guided by the "First Schedule" (section 38) of The Bank Company Act, 1991 (amendment up to date) and BRPD circular no. 14 dated 25 June 2003 and subsequent guidelines of Bangladesh Bank. In the prescribed format there is no option to present assets and liabilities under current and non-current classifications.

ii. Investment in Equity instrument

IFRS: As per requirements of IFRS 9, classification and measurement of investment in shares and securities will depend on how these are managed (the entity's business model) along with their contractual cash flow characteristics. Based on these factors it would generally fall either under 'at fair value through profit or loss account' or under 'at fair value through other comprehensive income' where any change in the fair value (as measured in accordance with IFRS 13) at the year-end is taken to profit and loss account or other comprehensive income respectively.

Bangladesh Bank: As per Banking Regulation and Policy Department (BRPD) circular no. 14 dated 25 June 2003, investments in quoted shares and unquoted shares are revalued at the year end at market price and as per book value of last audited balance sheet respectively. Provision should be made for any loss arising from diminution in value of investment; otherwise investments are recognised at cost. UCB PLC recognises investment in shares and securities at cost basis.

iii. Subsequent measurement of Government securities

IFRS: Debt instruments include both bonds and bills. As per requirements of IFRS 9 Financial Instruments, bonds can be categorised as "Amortised Cost (AC)", "Fair Value Through Profit or Loss (FVTPL)" or "Fair Value through Other Comprehensive Income (FVOCI)". Bonds designated as Amortised Cost are measured at amortised cost method and interest income is recognised through profit and loss account. Any changes in fair value of bonds designated as FVTPL is recognised in profit and loss account while changes in fair value of bonds designated as FVOCI is recognised in other reserve as a part of equity. As per requirements of IFRS 9, bills can be categorised either as "Fair Value Through Profit or Loss (FVTPL)" or "Fair Value through Other Comprehensive Income (FVOCI)". Any change in fair value of bills is recognised in profit and loss or other reserve as a part of equity respectively.

Bangladesh Bank: As per DOS Circular no. 05 (26 May 2008) and subsequent clarification in DOS Circular no 05 (28 January 2009), Government securities/bills are classified either into Held for Trading (HFT) or Held to Maturity (HTM). HFT securities are revalued on the basis of mark to market and at year end any gains on revaluation of securities which have not matured as at the balance sheet date are recognised in other reserves as a part of equity and any losses on revaluation of securities which have not matured as at the balance sheet date are charged in the profit and loss account. Interest on HFT securities including amortisation of discount are recognised in the profit and loss account. HTM securities which have not matured as at the balance sheet date are amortised at the year end and gains or losses on amortisation are recognised in other reserve as a part of equity.

iv. Repo and Reverse Repo transactions

IFRS: As per IFRS 9 when an entity sells a financial asset and simultaneously enters into an agreement to repurchase the asset (or a similar asset) at a fixed price on a future date (repo), the arrangement is treated as a loan and the underlying asset continues to be recognised at amortised cost in the entity's financial statements. The difference between selling price and repurchase price will be treated as interest expense. The same rule applies to the opposite side of the transaction (reverse repo).

Bangladesh Bank: As per DOS Circular letter no. 6 dated 15 July 2010 and subsequent clarification in DOS circular no.2 dated 23 January 2013, when a bank sells a financial asset and simultaneously enters into an agreement to repurchase the asset (or a similar asset) at a fixed price on a future date (repo or stock lending), the arrangement is accounted for as normal sales transactions and the financial assets are derecognized in the seller's book and recognized in the buyer's book.

However, as per DMD circular letter no.7 dated 29 July 2012, non-primary dealer banks are eligible to participate in the Assured Liquidity Support (ALS) program, whereby such banks may enter collateralised arrangements with Bangladesh Bank. Here the selling bank accounts for the arrangement as a loan, thereby continuing to recognise the asset.

v. Provision on loans and advances

IFRS: As per IFRS 9 an entity shall recognise an impairment allowance on loans and advances based on expected credit losses. At each reporting date, an entity shall measure the impairment allowance for loans and advances at an amount equal to the lifetime expected credit losses if the credit risk on these loans and advances has increased significantly since initial recognition whether assessed on an individual or collective basis considering all reasonable information, including that which is forward-looking. For those loans and advances for which the credit risk has not increased significantly since initial recognition, at each reporting date, an entity shall measure the impairment allowance at an amount equal to 12 month expected credit losses that may result from default events on such loans and advances that are possible within 12 months after reporting date.

Bangladesh Bank: As per BRPD circular no. 14 dated 23 September 2012, BRPD circular no. 19 dated 27 December 2012, BRPD circular no. 05 dated 29 May 2013, BRPD circular no. 16 dated 18 November 2014, BRPD circular no. 12 dated 20 August 2017, BRPD circular no. 15 dated 27 September 2017, BRPD circular no. 16 dated 21 July 2020 and BRPD circular letter no. 52 dated 20 October 2020 and circulars issued till 2022, a general provision at 0.25% to 2% under different categories of unclassified loans (standard/SMA loans) has to be maintained regardless of objective evidence of impairment. Also provision for sub-standard loans, doubtful loans and bad/losses loans has to be provided at 5% to 20%, 5% to 50% and 100%, respectively for loans and advances depending on the duration of overdue. Again as per BRPD circular no. 14 dated 23 September 2012, BRPD circular no. 07 dated 21 June 2018 and BRPD circular no. 13 dated 18 October 2018, a general provision at 0% to 1% is required to be provided for all off-balance sheet exposures. Such provision policies are not specifically in line with those prescribed by International Financial Reporting Standards (IFRS) 9: Financial Instruments.

vi. Recognition of interest in suspense

IFRS: Loans and advances to customers are generally classified at amortised cost as per IFRS 9 and interest income is recognised by using the effective interest rate method to the gross carrying amount over the term of the loan. Once a loan subsequently becomes credit-impaired, the entity shall apply the effective interest rate to the amortised cost of these loans and advances.

Bangladesh Bank: As per BRPD circular no. 14 dated 23 September 2012, BRPD circular No.03 dated April 21 2019 and BRPD Circular Letter No. 56 (December 10 2020), once a loan is classified, interest on such loans are not allowed to be recognised as income, rather the corresponding amount needs to be credited to an interest in suspense account, which is presented as liability in the balance sheet.

vii. Other comprehensive income

IFRS: As per IAS 1 Other Comprehensive Income (OCI) is a component of financial statements or the elements of OCI are to be included in a single other comprehensive income statement.

Bangladesh Bank: Bangladesh Bank has issued templates for financial statements through BRPD circular no. 14 (25 June 2003) which will strictly be followed by all banks. The templates

of financial statements issued by Bangladesh Bank do not include OCI nor are the elements of OCI allowed to be included in a single OCI statement. As such the Bank does not prepare an OCI statement. However elements of OCI, if any, are shown in the statements of changes in equity.

viii. Financial instruments – presentation and disclosure

In several cases Bangladesh Bank guidelines categories, recognise, measure and present financial instruments differently from those prescribed in IFRS 9. As such full disclosure and presentation requirements of IFRS 7 cannot be made in the financial statements.

ix. Financial guarantees

IFRS: As per IFRS 9, financial guarantees are contracts that require the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payment when due in accordance with the original or modified terms of a debt instrument. Financial guarantee liabilities are recognised initially at their fair value plus transaction costs that are directly attributable to the issue of the financial liabilities. The financial guarantee liability is subsequently measured at the higher of the amount of loss allowance for expected credit losses as per impairment requirement and the amount initially recognised less, income recognised in accordance with the principles of IFRS 15. Financial guarantees are included within other liabilities.

Bangladesh Bank: As per BRPD 14, dated 25 June 2003 financial guarantees such as letter of credit and letter of guarantee will be treated as off-balance sheet items. No liability is recognised for the guarantee except the cash margin. As per BRPD Circular No.01 dated 03 January 2018 and BRPD Circular No.14 dated 23 September 2012, the Bank is required to maintain provision at 1% against gross off-balance sheet exposures (which includes undrawn loan commitments) considering the latest BRPD circular letter No. 09 dated 27 May 2019.

x. Cash and cash equivalent

IFRS: Cash and cash equivalent items should be reported as cash item as per IAS 7.

Bangladesh Bank: Some cash and cash equivalent items such as money at call and on short notice, treasury bills, Bangladesh Bank bills and prize bond are not shown as cash and cash equivalents in the balance sheet. Money at call and on short notice are presented on the face of the balance sheet while treasury bills, Bangladesh Bank bills, prize bonds are shown as investments. However, in the cash flow statement, money at call and short notice and prize bonds are shown as cash and cash equivalents beside cash in hand, balance with Bangladesh Bank and other banks.

xi. Non-banking asset

IFRS: No indication of Non-banking asset is found in any IFRS.

Bangladesh Bank: As per BRPD circular no. 14 dated 25 June 2003 and BRPD Circular no. 22 dated 20 September 2021, there must exist a face item named Non-banking asset.

xii. Presentation of intangible asset

IFRS: Intangible assets must be identified and recognised, and the disclosure must be given as per IAS 38: Intangible Assets.

Bangladesh Bank: Intangible assets are shown in fixed assets, including premises and furniture and fixtures, as there is no specific regulation for intangible assets in BRPD circular no. 14, dated 25 June 2003.

xiii. Cash flow statement

IFRS: Cash flow statement can be prepared either in direct method or in indirect method. The presentation is selected to present these cash flows in a manner that is most appropriate for the business or industry. The method selected is applied consistently.

Bangladesh Bank: As per BRPD circular no. 14 dated 25 June 2003, cash flows is the mixture of direct and indirect method.

xiv. Balance with Bangladesh Bank: (Cash Reserve Requirement)

IFRS: Balance with Bangladesh Bank should be treated as other asset as it is not available for the use in day to day operations as per IAS 7.

Bangladesh Bank: Balance with Bangladesh Bank is treated as cash and cash equivalents.

xv. Presentation of intangible asset

IFRS: An intangible asset must be identified and recognized, and the disclosure must be given as per IAS 38.

Bangladesh Bank: There is no requirement for regulation of intangible assets in BRPD 14 dated 25 June 2003, hence it is shown in fixed assets.

xvi. Off-balance sheet items

IFRS: There is no concept of off-balance sheet items in any IFRS; hence there is no requirement of disclosure of off-balance sheet items.

Bangladesh Bank: As per BRPD circular no. 14 dated 25 June 2003, off balance sheet items (e.g. Letter of credit, Letter of guarantee etc.) must be disclosed separately on the face of balance sheet.

xvii. Disclosure of appropriation of profit

IFRS: There is no requirement to show appropriation of profit in the face of statement of comprehensive income.

Bangladesh Bank: As per BRPD circular no. 14 dated 25 June 2003, an appropriation of profit should be disclosed in the face of profit and loss account.

xviii. Loans and advance net of provision

IFRS: As per IFRS 9, Loans and advances should be presented net of provisions.

Bangladesh Bank: As per BRPD circular no. 14 dated 25 June 2003, provision on loans and advances are presented separately as liability and cannot be netted off against loans and advances.

xix. Provision on Financial Guarantees

IFRS: As per IFRS 9 bank shall recognise credit losses on undrawn loan commitments such as Letter of Credit (L/C), Letter of Guarantee (L/G) etc. as the present value of the difference between the contractual cash flow that are due by the customer if the commitment is drawn down and the cash flows that bank expects to receive.

Bangladesh Bank: As per BRPD Circular no. 07 dated (21 June 2018) and BRPD Circular no.14 dated (23 September 2012), the Bank is required to maintain provision at 1% rate against off-balance sheet exposures (which includes all types of undrawn loan commitments).

xx. Provision for Startup Fund

IFRS: There is no requirement to show appropriation of profit in the face of statement of comprehensive income.

Bangladesh Bank: In compliance with SMESPD circular 04 dated March 29, 2021 and SMESPD circular letter 05 dated April 26, 2021, the Bank has created Start-up Fund in first quarter 2021 appropriating BDT 3.17 Crore (1% of net profit of FY 2021 BDT 317.71 Crore). As a continuation of creating Start-up Fund, the bank has also contributed BDT 3.93 Crore (1% of net profit of FY 2022 BDT 393.28 Crore). The objective of this fund is to provide loan facilities to the start-up entrepreneurs for their business and projects.

2.1.2 Going Concern

The accompanying financial statements have been prepared on a going concern assumption that the Bank will continue in operation for the foreseeable future. The Bank has neither any intention nor any legal or regulatory compulsion to liquidate or curtail materially the scale of any of its operations. The key financial parameters (including liquidity, profitability, asset quality, provision sufficiency and capital adequacy) of the Bank continued to show a healthy trend for couple of years. The rating outlook of the Bank as reported by all the rating agencies is "Stable". Besides, the management is not aware of any material uncertainties that may cast significant doubt upon the Bank's ability to continue as a going concern.

2.1.3 Disclosure on BASEL III

The Basel III accord (an extension of the existing Basel II Framework) is a set of financial reforms that was developed by the Basel Committee on Banking Supervision (BCBS), with the aim of strengthening regulation, supervision, and risk management within the banking industry. Due to the impact of the 2008 Global Financial Crisis on banks, Basel III was introduced to improve the banks' ability to handle

shocks from financial stress and to strengthen their transparency and disclosures as well as liquidity standards.

It was agreed upon by the members of the Basel Committee on Banking Supervision in 2010–2011, and was scheduled to be introduced from 2013 until 2015. However, changes made from April 2013 extended implementation until March 31, 2018. The Basel III requirements were in response to the deficiencies in financial regulation that is revealed by the 2000's financial crisis. Basel III was intended to strengthen bank capital requirements by increasing bank liquidity and decreasing bank leverage. The global capital framework and new capital buffers require financial institutions to hold more capital and higher quality of capital than under current Basel II rules. The new leverage ratio introduces a non-risk-based measure to supplement the risk-based minimum capital requirements. The new liquidity ratios ensure that adequate funding is maintained in case there are other severe banking crises.

Key Principles of Basel III

Capital Conservation Buffer is designed to absorb losses during periods of financial and economic stress. Financial institutions will be required to hold a capital conservation buffer of 2.5% to withstand future periods of stress, bringing the total common equity requirement to 7% (4.5% common equity requirement and the 2.5% capital conservation buffer). The capital conservation buffer must be met exclusively with common equity. Financial institutions that do not maintain the capital conservation buffer faces restrictions on pay-outs of dividends, share buybacks, and bonuses.

Countercyclical Capital Buffer is a countercyclical buffer within a range of 0% and 2.5% of common equity or other fully loss absorbing capital is implemented according to national circumstances. This buffer serves as an extension to the capital conservation buffer.

Higher Common Equity Tier 1 (CET1) constitutes an increase from 2% to 4.5%.

Minimum Total Capital Ratio is 10%. Tier 2 capital instruments are harmonized and tier 3 capital is abolished in the Basel III regime. With buffer Banks have to maintain 12.50% capital of Total Risk Weighted Asset of the banks.

Leverage ratio: Basel III introduced a minimum "leverage ratio". The leverage ratio was calculated by dividing Tier 1 capital by the bank's average total consolidated assets; the banks were expected to maintain a leverage ratio in excess of 3% under Basel III.

Liquidity requirements

Basel III introduced two required liquidity ratios:

Liquidity Coverage Ratio (LCR) ensures that sufficient levels of high-quality liquid assets are available for one-month survival in a severe stress scenario.

Net Stable Funding Ratio (NSFR) promotes resilience over long-term time horizons by creating more incentives for financial institutions to fund their activities with more stable sources of funding on an ongoing structural basis.

2.2 Basis of measurement

The financial statements have been prepared on the historical cost basis except for the following material items:

- Government Treasury Bills and Bonds designated as 'Held for Trading (HFT)' at present value using 'mark to market' concept with gain credited to revaluation reserve but loss charged to Profit and Loss Account.
- Government Treasury Bills and Bonds designated as 'Held to Maturity (HTM)' at present value using amortization concept.
- Land is recognized at cost at the time of acquisition and subsequently measured at fair value as per IAS-16 *Property Plant & Equipment* and BSEC notification SEC/CMRRCD/2009-193/150/Admin dated 18 August 2013.
- Investment in shares of listed companies are valued at market price and unlisted companies at cost or book value of last audited balance sheet, whichever is lower.
- Net asset/(liability) of defined benefit scheme is net of present value of defined benefit obligations, total plan assets and other related items as required by IAS 19.

2.3 Basis of consolidation

The consolidated financial statements include the financial statements of United Commercial Bank PLC and its subsidiaries 'UCB Stock Brokerage Limited', 'UCB Investment Ltd', 'UCB Asset Management Limited' and 'UCB Fintech Company Limited'. The Separate (solo) financial statements and consolidated financial statements have been prepared in accordance with International Accounting Standard (IAS) - 27: *Separate Financial Statements* and IFRS-10; *Consolidated financial statements*. The consolidated financial statements are prepared to a common financial year Ended 31 December 2022. Basis of consolidation are as follows:

- The consolidated financial statements incorporate the financial statements of the bank and the financial statements of the subsidiary companies from the date that control commences until the date that control ceases. The financial statements of such subsidiary companies are incorporated on a line by line basis and the investments held by the parent (bank) are eliminated against the corresponding share capital of group entities (subsidiaries) in the consolidated financial statements.
 - Subsidiaries (investees) are entities controlled by the parent (investor). Control exists when the investor has the power over the investee that gives right to direct relevant activities, exposure, or rights, to variable returns from its involvement with the investee, and the ability to use its power over the investee to affect the amount of the investor's returns.
 - All financial assets and financial liabilities are offset and the net amount reported in the consolidated financial statements only when there is legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or to realize the asset and settle the liability simultaneously. Items are not offset in the consolidated financial statements unless required or permitted by accounting standards and regulators.
- Intra-group balances and transactions, and any unrealized income and expenses arising from intra-group transactions are eliminated in preparing the consolidated financial statements. Unrealized losses are eliminated in the same way as unrealized gains, but only to the extent that there is no evidence of impairment.

Non-controlling interests are presented in the consolidated statement of financial position within equity, separately from the equity of the owners of the parent. Total comprehensive income is

attributed to the owners of the parent and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

- Loss of control: Upon the loss of control of a subsidiary the group derecognizes the assets (including any goodwill) and liabilities of the subsidiary at carrying amount, any non-controlling interests and the other components of equity related to the subsidiary. Any surplus or deficit arising on the loss of control is recognized in profit and loss account. If the group retains any interest in the former/previous/ex subsidiary, such interest is measured at fair value at the date that the control is lost.

2.4 Use of estimates and judgments

The preparation of the financial statements requires the management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and in any future periods affected.

Information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements are described below:

i) Provision for loans and advance

The Bank assesses its loans and advances for objective evidence of impairment on a regular basis and particularly at year end. Whilst the primary criteria set out in BRPD circular no. 14 dated 23 September 2012 for determining whether a loan is impaired is objective, being based on borrower's ability to make timely repayments, loans and advances may also be classified based on qualitative judgment. This involves making assessments regarding the economic environment in which borrowers operate in addition to making judgments about a borrower's financial situation and net realisable value of any underlying collateral.

Taxation

The estimation of current tax provision involves making judgments regarding admissibility of certain expenses, estimating the amount of other expenses for tax purposes and applicability of provision of the Finance Act 2022, although return will be submitted for tax based on the Finance Act 2023.

In addition, the recognition of deferred tax assets requires the Bank to estimate the extent to which it is probable that future taxable profits will be available against which the deferred tax assets may be utilized

iii) Post-employment benefits-asset/(liability) from gratuity

The determination of Bank's asset/(liability) from gratuity involves the use of estimates regarding demographic variables (such as employee turnover and mortality) and financial variables (such as future increases in salaries and medical costs) that will influence the cost of the benefit.

iv) Depreciation

Depreciation is provided on a straight line basis over the estimated useful life of each item of fixed asset. The determination of useful life involves the use of estimates regarding expected use of the assets, expected physical wear and tear, technical or commercial obsolescence and legal or similar limits on the use of the assets.

v) Provisions for expenses

A provision is recognised in the balance sheet when the Bank has a legal or constructive obligation as a result of past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation in compliance with IAS 37: Provisions, Contingent Liabilities and Contingent Assets.

vi) Lease Liabilities

The lease liability is initially measured at the present value of the lease payments, discounted at the Bank's incremental borrowing rate. The Bank determines its incremental borrowing rate by obtaining interest rates from various external financing sources and makes certain adjustments to reflect the terms of the lease and type of the rental assets leased. The lease liability is remeasured when there is a change in future lease payments or the changes in discount rate. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use assets and lease liabilities.

2.5 Consistency

In accordance with IFRS framework for the presentation of financial statements together with IAS-1 and IAS-8, United Commercial Bank PLC discloses its information consistently from one period to the next. When selecting and applying new accounting policies, changes in accounting policies and correction of errors, the amounts involved are accounted for and disclosed retrospectively in accordance with the requirement of IAS-8. However, for changes in the accounting estimates the related amount is recognized prospectively in the current period and in the next period or periods.

2.6 Foreign Currency Transactions and Translations

Functional and presentation currency

These financial statements are presented in Bangladesh Taka (Taka/Tk/BDT) which is the Bank's functional currency. The functional currency of OBU is US Dollar (USD). The financial statements of OBU have been translated to presentation currency (Taka/Tk/BDT) using the exchange rate prevailing at balance sheet date. Except as otherwise indicated, financial information presented in Taka has been rounded to the nearest integer.

Foreign currency transactions

Transactions/Day End Balances in foreign currencies are converted into respective functional currencies at the rate of exchange ruling at the date of transactions as per IAS 21, 'The Effects of Changes in Foreign Exchange Rates'. Foreign currency translations

Assets and liabilities of OBU have been presented in Taka (which is functional currency of the Bank) using year end standard mid rate of exchange of the Bank and incomes and expenses are translated using monthly average of standard mid rate of exchange. The foreign currency translation difference is a net result of exchange difference of year end standard mid rate and monthly average of standard mid rate arising from translation of functional currency to presentation currency.

Foreign currency differences arising on translation are recognised in the profit and loss account except for exchange rate differences on fund deposited with Bangladesh Bank as capital, which is recognised directly in equity.

2.7 Cash flow statement

Cash flow statement has been prepared in accordance with International Accounting Standard (IAS) 7 "Statement of Cash Flows" and under the guideline of Bangladesh Bank BRPD Circular no.14 dated 25 June 2003. The Statement shows the structure of changes in cash and cash equivalents during the financial year.

2.8 Statement of changes in equity

The statement of changes in equity reflects information about the increase or decrease in net assets or wealth. The statement also shows item-wise movement along with the description of changes from the end of last year to the end of current year.

2.9 Statement of liquidity

The liquidity statement of assets and liabilities as on the reporting date has been prepared on residual maturity term as per following basis:

| Particulars | Basis of Use |
|--|--|
| Cash, Balance with other banks and financial institutions, money at call and short notice etc. | Stated maturity/observed behavioral trend |

2.10 Significant accounting policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements, and have been applied consistently by group entities except otherwise instructed by the Central Bank as prime regulator. Certain comparative amounts in the financial statements have been reclassified and rearranged to conform to the current year's presentation.

Accounting policies of subsidiaries

The financial statements of subsidiaries have been prepared using uniform accounting policies of the Bank (Parent) for transactions and other events in similar nature where applicable. The financial statements of subsidiaries have been prepared using the calendar year ended 31 December which is also same for the Bank.

A. ASSETS AND THE BASIS OF THEIR VALUATION

2.10.1 Cash and cash equivalents

Cash and cash equivalents include notes and coins on hand, unrestricted balance held with Bangladesh Bank and highly liquid financial assets which are subject to insignificant risk of changes in their fair value, and are used by the Bank management for its short-term commitments.

2.10.2 Investments

All investment securities are initially recognized at cost, including acquisition charges associated with the investment. Premiums are amortized and discounts are accredited. Accounting treatment for government treasury securities (HFT and HTM) is made as per Bangladesh Bank Circular Ref. BRPD Circular no. 5 dated 26 May 2008 and subsequent clarification DOS circular letter no. 5 dated 28 January 2009.

2.10.3 Held to Maturity (HTM)

Investments which have "fixed or determinable payments" and are intended to be held to maturity are classified as "Held to Maturity". Initially these investments are recorded at cost. Subsequently at each year end, these investments are measured at amortized cost. Any increase or decrease in the value of such investment is recognized in shareholders' equity and profit and loss account respectively.

2.10.4 Held for Trading (HFT)

Investments classified in this category are acquired principally for the purpose of selling or repurchasing in short trading or if designated as such by the management. After initial recognition at cost, investments are revalued at Mark to Market (MTM) on weekly basis and any increase on such valuation is recognized as revaluation gain under the shareholders' equity and any loss is recognized in the profit and loss account.

2.10.5 REPO and Reverse REPO

Securities purchased under re-sale agreements are treated as collateralized lending and recorded at the consideration paid and interest accrued thereon. The difference between purchase price and re-sale price is treated as interest received and accrued evenly over the life of Repo agreement.

Since 01 September 2010 transactions of REPO and Reverse REPO are recorded based on DOS Circular no. 06, dated 15 July 2010 of Bangladesh Bank. Securities under repo will be excluded from the investment portfolio and hence will not be eligible for SLR purpose. Securities acquired under reverse repo will be eligible for SLR purpose initially at its clean price (in case of coupon bearing security) or at its market value (in case of non-coupon bearing security).

2.10.6 Investment in listed/quoted securities

These securities are bought and held primarily for the purpose of selling them in the future or holding for dividend income. These are reported at cost. Unrealized gains are not recognized in the profit and loss account. But provision for diminution in value of investment is recognized in the profit and loss account.

2.10.7 Investment in unquoted securities

Investment in unlisted securities is reported at cost under cost method. Adjustment is given for any shortage of Net Assets Value (NAV) over cost in the Profit & Loss Account, but there is no unrealized gain booking.

2.10.10 Property, Plant and Equipment and Depreciation

Recognition

The cost of an item of fixed assets is recognized as an asset if it is probable that future economic benefits associated with the item will flow to the entity, and the cost of the item can be measured reliably.

Initial Measurement

Items of property, plant and equipment that qualify for recognition as an asset is measured initially at its cost. The cost of an item of PPE comprises:

- a) Its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.
- b) Any costs directly attributable to bring the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.
- c) The initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located.

Subsequent Measurement

Subsequently, the Bank has the option to measure an entire class of property, plant and equipment either using cost model or revaluation model.

Fixed assets except land are stated at cost less accumulated depreciation. Land is recognized at cost at the time of acquisition and subsequently measured at revalued amounts which are the fair value at the time of revaluation done by independent professional valuer, and any surplus on revaluation is shown as equity component until the asset is disposed.

Subsequent Expenditure

The bank recognizes any subsequent expenditure in the carrying amount of an item of property, plant and equipment as a part of the cost only when it is probable that future economic benefits embodied

with the item will flow to the bank due to the subsequent expenditure. However, expenditures incurred after the assets have been put into operation, such as, repairs and maintenance is recognized as revenue expenditure in the period in which it is incurred.

Depreciation

Depreciation is charged at the rates stated below on all fixed assets on the basis of estimated useful lives as determined in the fixed asset policy of the Bank. In all cases depreciation is calculated using the straight line method. Charging depreciation commences from the month of acquisition (for full month) and ceases at the month when the assets are disposed. No depreciation has been charged on land. Rate and method of charging depreciation/ amortization of fixed assets are mentioned below:

| Name of the assets | Rate of depreciation | Method of charging depreciation/ amortization |
|----------------------|----------------------|---|
| Land | NIL | Not applicable |
| Building | 2.50% | Straight Line Method |
| Furniture & Fixtures | 10% | Straight Line Method |
| Office Equipment | 20% | Straight Line Method |
| Computer Equipment's | 20% | Straight Line Method |
| Computer Software | 25% | Straight Line Method |
| Vehicle | 20% | Straight Line Method |

Changes in useful life and method of depreciation of the property, plant and equipment

Both changes in useful life of the property, plant and equipment and method of depreciation, i.e. consumption pattern of the assets shall be accounted for as a change in an accounting estimate in accordance with IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors.

Capital work in progress

Property, plant and equipment under construction is recognized and reported under Fixed Assets as per IAS 16 'Property, Plant & Equipment' as Capital work in progress until the construction work is completed and the asset is ready for the intended use. This asset is stated at cost, and depreciation of the asset will be charged from the date of its intended use.

De-recognition of fixed assets

The carrying amount of an item of fixed assets is derecognized on disposal or when no future economic benefits are expected from its use. The gain or loss arising from de recognition of an item of fixed assets is recorded in profit or loss when the item is de-recognized.

Revaluation of Property, Plant and Equipment

An item of Property, Plant and Equipment is revalued when fair value of the asset differs materially from its carrying amount. Such revaluation is normally carried out by professionally qualified valuers. Last revaluation of Bank's land property and Building were carried as at 27 December 2012 by Padma

2.10.11 Accounting under lease operations:

Assets obtained under Lease Agreements

International Financial Reporting Standard (IFRS) 16: Leases come into force on 1 January 2019, as adopted by institute of Chartered Accountants of Bangladesh (ICAB). As per IFRS 16 a lease is a contract (or part of a contract) that conveys the right to use an asset for a period of time in exchange for consideration. A contract contains a lease if fulfilment depends on an identified asset and it conveys the right to control the use of that identified asset throughout the period of use. Each lease component should be identified and accounted for separately.

As a lessee

The Bank recognises a right-of-use (ROU) asset and a lease liability from the initial application date i.e. 01 January 2019 or the commencement date of a lease contract. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted by the amount of any prepaid or accrued lease payments relating to that lease recognised in the balance sheet immediately before the date of initial application, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use assets are subsequently depreciated using the straight-line method from the initial application date or commencement date to the end of the lease term, unless the lease transfers ownership of the underlying asset to the Bank by the end of the lease term or the cost of the right-of-use asset reflects that the Bank will exercise a purchase option. In that case the right-of-use assets will be depreciated over the useful life of the underlying asset, which is determined on the same basis as those of property and equipment. In addition, the right-of-use assets are periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the initial application date or commencement date, discounted at the Bank's weighted average rate. Generally, the Bank uses its incremental borrowing rate as the discount rate.

1) Determining whether an arrangement contains a lease

At inception of an arrangement, the Bank determines whether the arrangement is or contains a lease. At inception or reassessment of an arrangement that contains a lease, the Bank separates payments and other consideration required by the arrangement into those for the lease and those for other elements on the basis of their relative fair value. If the Bank concludes for a finance lease that it is impracticable to separate the payments reliably, then an asset and a liability are recognised at an amount equal to the fair value of the underlying asset; subsequently, the liability is reduced as payments are made and an imputed finance cost on the liability is recognised using the Bank's incremental borrowing rate.

ii) Leased Asset

Leases of property, plant and equipment that transfer to the Bank substantially all of the risks and the rewards of ownership are classified as finance leases. The leased assets are measured initially at an amount equal to the lower of their fair value and the present value of the minimum lease payments. Subsequent to initial recognition, the assets are accounted for in accordance with the accounting policy applicable to the asset.

Assets held under other leases are classified as operating leases and are not recognised in the Bank's statement of financial position.

iii) Lease Payment

Payments made under operating lease are charged to profit or loss on a straight line basis over the term of the lease. Lease incentives received are recognised as an integral part of the total lease expenses, over the term of the lease.

Minimum lease payments made under finance leases are apportioned between the finance expense and the reduction of the outstanding liability. The finance expense is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability.

2.10.12 Intangible asset

An intangible asset is to be recognized only if it is probable that future economic benefits attributable to the assets will flow to the bank and the cost of the asset can be measured reliably. Recognition & measurement of Intangible Assets are guided by International Accounting Standard (IAS)-38; 'Intangible Asset'. Intangible assets are derecognised on disposal or when no future economic benefits are expected from their use. Gain or loss arising from derecognition of an intangible asset is measured as the difference between the net disposal proceed and the carrying amount of that intangibly asset is recognised in profit and loss account. Due to following BRPD circular no. 14 dated 25 June 2003, intangible assets are not disclosed in a separate line rather reported under Fixed Assets. However, separate line item along with the rate of amortization is identifiable in the detail schedule of Fixed Asset.

2.10.13 Impairment of assets

The carrying amounts of bank's assets are reviewed when as required to determine whether there is any indication of impairment. Any impairment loss is recognized in the profit and loss account if the carrying amount of an asset exceeds its recoverable amount [IAS 36 *Impairment of Assets*]. No such impairment loss has arisen and been recognized during the year ended 31 December 2022.

2.10.14 Other Assets

Other assets include mainly advance office rent, payment of advance income tax for which assessment of tax has not yet been finalized, investment in subsidiaries, fees and other unrealized income receivable, advance for operating and capital expenditure, stocks of stationery & stamps etc. As per

BRPD Circular No. 14 dated 25 June 2003, Income & Non-income-generating other assets item(s) have been shown separately in the relevant notes to the financial statements.

2.10.15 Receivables

Receivables are recognized when there is a contractual right to receive cash or another financial asset from another entity or person.

2.10.16 Non-banking assets

Bangladesh Bank vide BRPD circular no. 14 dated 25 June 2003 required that Non-banking assets should be shown separately in the books of accounts. Non-banking assets are acquired on account of the failure of a borrower to repay the loan in time after receiving the decree from the court regarding the right and title of the mortgaged property.

Recognition of non-banking assets

Although there is no indication of non-banking assets found in any International Financial Reporting Standards (IFRS), non-banking assets are to be recorded in the books of accounts when all formalities regarding confirmation of ownership have been completed in accordance with the BRPD Circular No. 22 dated 20 September 2021. It means that asset to be recognized during controlling over economic benefits flowing from the asset to the bank is established and its associated cost/value is reliably measured. Therefore, considering practical grounds, non-banking assets are recorded in the books of accounts of UCB PLC when all of the following conditions have been met:

- a) Certification of ownership u/s 33(7) of the 'Artharin Adalat Act 2003' obtained
- b) Registration from the Sub Registry Office completed
- c) DCR & Mutation form the concerned AC Land office completed
- d) Land Rent tax and Municipal tax (if any) Paid
- e) Valuation of the property done
- f) Physical possession obtained

Measurement of the non-banking assets:

Non-banking Asset is measured at the estimated Forced Sale Value (FSV) as determined by the independent professional valuing firm.

B. LIABILITIES AND PROVISIONS

2.10.17 Borrowings from other banks, financial institutions and agents

Borrowings from other banks, financial institutions and agents include interest bearing borrowings, bonds etc. which are stated in the financial statements at principal amount of the outstanding balance. Interest payables on such borrowings are reported under other liabilities.

2.10.18 Debt securities:

After global economic turmoil in 2020, the global financial regulators are more concerned with enhancing risk resilience capacity of the banks and introduced more risk sensitive capital adequacy

2.10.25 Provision for other assets

Provision for other assets is made as per the guidelines mentioned in the BRPD Circular No. 04 dated 12 April 2022 i.e. 100% provision is required on other assets which are outstanding for one year or more.

2.10.26 Provision for Nostro accounts

Provision for unsettled transactions on nostro accounts is made in accordance with the guideline of Foreign Exchange Policy Department of Bangladesh Bank, FEPC Circular no. FEPC (FEMO) / 01/2005-677 dated 13 September 2005. On the reporting date, UCB PLC has no unsettled transactions outstanding for more than 3 months and no provision has been made in this regard.

2.10.27 Provision for liabilities and accrued expenses

In compliance with IAS 37, provisions for other liabilities and accrued expenses are recognized in the financial statements when the Bank has a legal or constructive obligation as a result of past event, it is probable that an outflow of economic benefit will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

2.10.28 Retirement Benefit Schemes

The retirement benefits accrued for the employees of the Bank as on reporting date has been accounted for in accordance with the provision of International Accounting Standard-19, "Employees Benefits". Various types retirement benefit schemes of the bank are as follows:

Provident fund

Provident fund benefits are given to the employees of the Bank in accordance with the registered provident fund rules. The Commissioner of Income Tax, Dhaka (North) has approved the provident fund as a recognized provident fund within the meaning of section 2 (52) read with the provision of part – B of the First Schedule of Income Tax Ordinance 1984. The recognition took effect from November 30, 1988. The Fund is operated by a Board of Trustee consisting 03 (three) members of the Bank. All confirmed employees of the Bank are contributing 10-20% of their basic salary as subscription to the fund. The bank also contributes equal amount of the employees' contribution (maximum 10%). Interest earned from the investments is credited to the members' account on half yearly basis.

Gratuity fund

Gratuity benefits are given to the employees of the bank in accordance with the approved gratuity fund rules. The National Board of Revenue has approved the gratuity fund as a recognized gratuity fund on December 27, 1995. The fund is operated by a Board of Trustee consisting 3 (Three) members of the bank. Employees are entitled to gratuity benefit after completion of minimum 5 (five) years of service in the bank. The Gratuity is calculated on the basis of last basic pay and is payable at the rate of one month's basic pay for every completed year of service. Gratuity fund is a "Defined Benefit Plan" and contribution to Gratuity Fund is measured through the result of actuarial valuation of the fund.

The Bank's net obligation in respect of gratuity is calculated by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets. The calculation of defined benefit obligations is performed annually by a qualified actuary using the projected unit credit method.

Net interest expense, current service cost and other expenses related to defined benefit plans are recognised as salaries and allowances in profit or loss. When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognised immediately in profit or loss.

Welfare fund

Employees' Welfare fund was established in June 18, 2009. The UCB PLC policy on Employees' Welfare Fund, 2009, governs the fund and the day-to-day affairs are run by a duly constituted Board of Trustee. The fund is held and administered by a Board of Trustee and invested according to the rules of the Fund framed as per applicable laws of Bangladesh.

Workers' Profit Participation Fund (WPPF)

Consistent with widely accepted industry practice and in accordance with section 11(1) of the Bank Company Act, 1991 (as amended up to date) and subsequent clarification given by Bank & Financial Institutions Division (BFID), Ministry of Finance, no provision has been made by the Bank in the reporting period against Workers Profit Participation Fund (WPPF).

2.10.29 Taxation

Income tax represented the sum of the current Tax and deferred tax payable for the year under reporting.

i. Current Tax

Current tax is the amount of income taxes payable (recoverable) in respect to the taxable profit (tax loss) for a period. Provision for current income tax has been made as per the prescribed rate in the Income Tax Ordinance 1984 on the accounting profit made by the bank after considering some of the add-backs to income and disallowances of expenditure as per income tax laws with IAS-12, "Income Taxes". Tax Assets under the group head of other assets are recognized for payment of advance income tax, tax deducted at source and tax paid at the time of IT Return for the year/years for which assessment has not yet been finalized. On the other hand, the tax provision (as estimated as per IAS-12; Income Taxes, provision of latest Finance Act, related SROs/guidelines etc.) are recognized as tax liability under the group head of other liability for the year/years for which assessment has not yet been finalized.

ii. Deferred Tax

Deferred tax liabilities are the amount of income taxes payable in future periods in respect to taxable temporary differences. Deferred tax assets are the amount of income tax recoverable in future periods in respect of deductible temporary differences. Deferred tax assets and liabilities are recognized for the future tax consequences of timing differences arising between the carrying values of assets and liabilities, income and expenditure and their respective tax bases. Deferred tax assets & liabilities are measured using tax rate & tax laws enacted or substantively enacted at the balance sheet date.

C. CAPITAL / SHAREHOLDERS' EQUITY

2.10.30 Capital

(a) Authorized capital

Authorized capital is the maximum amount of share capital that the bank is authorized by its Memorandum and Article of Association to issue to shareholders.

(b) Paid-up capital

Paid-up Capital represents total amount of shareholders' capital that has been paid in full by the ordinary shareholders. Holders of ordinary share are entitled to receive dividends as declared from time to time and are entitled to vote at shareholders' meetings. In the event of a winding-up of the company, ordinary shareholders rank after all other shareholders and creditors and are fully entitled to any residual proceeds of liquidation.

2.10.31 Statutory reserve

Statutory reserve has been maintained @ 20% of profit before tax in accordance with provisions of section 24 of the Bank Company Act, 1991 (and amendments thereon).

2.10.32 Asset revaluation reserve

When an asset's carrying amount is increased as a result of revaluation, the increased amount is credited directly to equity under the heading of assets revaluation reserve as per IAS 16 'Property, Plant and Equipment'. The Bank also follows the assets revaluation guidelines issued by BSEC on 18 August 2013.

2.10.33 Reserve for Amortization/ revaluation of securities

When a Financial Asset categorized under HTM or HFT and subsequent value of the asset is increased as a result of amortization of assets or mark to market revaluation, the net increased amount (for HTM increase or decrease of book value and for HFT loss to P&L but gain to revaluation reserve through P&L) is credited directly to equity under the heading of reserve for amortization/ revaluation of securities as per Bangladesh Bank DOS Circular Letter No. 05 dated 26 May 2008, DOS Circular Letter No. 05 dated 28 January 2009, DOS circular no. 06, dated 15 July 2010.

2.10.34 Retained Earnings

The surplus amount after appropriation of yearly profit is kept in Retained Earnings.

2.10.35 Share premium

The Share premium represents the excess amount received by the bank from its shareholders over the nominal/par value of its share. The amount of share premium can be utilized as per the provision of Section 57 of the Companies Act 1994.

2.10.36 Contingent asset and contingent liability

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events and on the other hand a contingent liability is a possible obligation that arises from past events and whose existence will also be confirmed only with the occurrence or non-occurrence of one or more uncertain future events. Contingent asset and liability is not recognized rather disclosed in the financial statements.

Bank also undertakes forward rate agreements and transaction of similar financial instruments and derivatives. Such activities are undertaken in line with Bangladesh Bank guidelines and an appropriate provision has been made against such contingent items.

2.10.37 Accounting of Derivative Financial Instruments

Derivatives

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Derivative is a financial instrument meeting all of the following three features:

1. whose value changes in response to the change in price of an underlying security, commodity, currency, index or other financial instruments;
2. where the initial net investment is zero or is small in relation to the value of underlying security or index;
3. that is settled at a future date.

Derivatives are classified as held for trading (unless they are hedging instruments) and accordingly, measured at fair value. Any changes in fair value is recorded in profit and loss account.

Embedded derivatives

Certain contracts that are not themselves derivatives (and may not be financial instruments) include derivative contracts that are 'embedded' within. An embedded derivative is a component of a hybrid (combined) instrument that also includes a non-derivative host contract. Embedded derivative causes some or all of the cash flows of the host contract to be modified. Besides, embedded derivative cannot be transferred to a third party independently of the instrument. The basic rule for accounting for an embedded derivative is that it should be separated from its host contract and accounted for as a derivative, i.e., measured at fair value and any changes in fair value recognized in profit and loss account. Separation of embedded derivative from the host contract is made only when the following conditions are met:

The economic characteristics and risks of the embedded derivatives are not closely related to the economic characteristics and risks of the host contract.

D. REVENUE RECOGNITION

2.10.38 Interest income

Interest on unclassified (Standard and SMA) loans and advances is accounted for as income on accrual basis, interest on classified loans and advances (SS and DF only) is credited to interest suspense account, with actual receipt of interest there from credited to income as and when received as per instruction contained in BRPD 14 dated 23 September 2012, BRPD 19 dated 27 December 2012, BRPD 16 dated 18 November 2014 and BRPD circular No.03 dated April 21 2019, BRPD Circular Letter No. 56 dated December 10, 2020 and BRPD Circular Letter No. 53 dated December 30, 2021 and circulars till 2022 of Bangladesh Bank. Interest is accrued on a daily basis and applied to customer accounts every month, quarter and at maturity depending on the product offerings. In accordance with BRPD circular no. 14 dated 23 September 2012, interest accrued on sub-standard loans and doubtful loans are credited to Interest Suspense Account which is included within Other liabilities. Interest from loans and advances ceases to be accrued when they are classified as bad / loss.

2.10.39 Fees and commission income

Fees and commission income arises on services provided by the Bank and recognized on accrual basis. Commission charged to customers on letters of credit, letters of guarantee and acceptance are credited to income at the time of effecting the transactions.

2.10.40 Interest income from investments

Interest income from investments in Government and other securities, debentures and bonds are accounted for on accrual basis. Investment income includes interest income, capital gain, and revaluation loss on government securities.

2.10.41 Income from exchange

Exchange income includes all gain and losses from foreign currency day to day transactions, conversions and revaluation of Non-Monetary items.

2.10.42 Dividend income

Dividend income from investments is recognized at the time when it is declared, ascertained and right to receive the payment is established.

2.10.43 Interest paid on borrowings and deposits

E. OTHERS

2.10.45 Materiality and aggregation

Each material class of similar items has been presented separately in the financial statements. Items of dissimilar nature have also been presented separately unless they are immaterial in accordance with IAS 1 'Presentation of Financial Statements'.

2.10.46 Offsetting

The balance sheet presents the net amount of financial assets and liabilities when there is a legally enforceable right to offset the recognized amounts and the intention is to settle them on a net basis or simultaneously realize the asset and settle the liability. The Bank presents its advance tax paid and provision for tax on a net basis under liability since the tax liability amount is higher than the advance tax. Similarly, the Bank presents its Deferred Tax (DT) assets and liabilities on a net basis under the asset section, as the DT asset amount is higher than the DT liability. The net defined benefit obligation is shown under the liability section because the defined benefit obligation is higher than the fair value of plan assets. Finally, card revenues and expenses earned and incurred on a shared basis that are directly attributable are presented on a net off basis.

2.10.47 Earnings Per Share (EPS)

The company calculates Earnings Per Share (EPS) in accordance with IAS 33, "Earnings Per Share" which has been shown on the face of the Profit and Loss Account. Earnings per share (EPS) has been calculated by dividing the net profit after tax by the total number of ordinary shares outstanding at the end of the year. Details are shown in note 39 to the financial statements.

Basic Earnings Per Share

Basic earnings per share shall be calculated by dividing profit or loss attributable to ordinary equity holders of the parent entity (the numerator) by the weighted average number of ordinary shares outstanding (the denominator) during the period.

Weighted average number of ordinary shares outstanding during the year

This represents the number of ordinary shares outstanding at the beginning of the year plus the number of ordinary shares issued during the year multiplied by a time weighted factor. The time weighting factor is the number of days the specific shares are outstanding as a proportion of the total number of days in the year. The total number of shares issued in current reporting period has been multiplied by

2.10.48 Related Party Transactions

Parties are considered to be related if one party has the ability, directly or indirectly, to control the other party or exercise significant influence over the other party in making financial and operating decisions. Parties are also considered to be related if they are subject to common control or common significant influence. Related party transaction is a transfer of resources, services, or obligations among related parties, regardless of whether a price is charged as per IAS 24 'Related Party Disclosures', Bangladesh Bank & BSEC guidelines. Details of the related party transactions have been disclosed in notes 47.1 to 47.8.

2.10.49 Reconciliation of books and account

Books of account in regard to inter-bank (in Bangladesh and outside Bangladesh) as well as inter-branches are reconciled at regular intervals to keep the unreconciled balances within non-material level.

2.10.50 Events after the reporting period

Where necessary, all the material events after the balance sheet date have been considered and appropriate adjustment/ disclosures have been made in the financial statements as per IAS 10 'Events after the Reporting Period'.

Only material event after the balance sheet date is: The Board of Directors recommended 10% dividend (5% cash dividend and 5% stock dividend) for the year 2022 in its meeting no. 481 held on 25 April 2023.

2.10.51 Credit rating

ECRL has rated the Bank based on December 31, 2021 with "AA"(pronounced as Double A) in the Long Term and ST-2 for the Short Term. The date of rating was April 24, 2022.

| Year | Long Term Rating | Short Term Rating |
|------|------------------|-------------------|
| 2022 | AA | ST-2 |
| 2021 | AA | ST-2 |
| 2022 | AA | ST-2 |

The outlook of the rating is Stable. The rating reflects the strengths of the company which is backed by strong management, good liquidity position and satisfactory capital base as well as branch coverage throughout the country.

2.10.54 Risk Management

In banking organization, risk is the possible outcome of an action or event which could bring up an adverse impact. Such outcome could either result in a direct loss of earnings/capital or may result in imposition of constraints on banks' ability to meet their business objectives. Risk is the outcome of losses due to sudden downturn in economy or falling interest rates. Banks have to rely on their capital as a buffer to absorb such losses. The types and degree of risks of an organization may be exposed depending upon a number of factors such as its size, complexity in business activities, volume etc. Bangladesh Bank had issued guidelines on six core risk areas and accordingly scheduled banks operating in Bangladesh has implemented the guidelines for better risk management practice.

Implementation of core risk management guidelines by United Commercial Bank PLC and its status are discussed below.

BRPD circulars no.17 dated 07 October 2003, BRPD circular no. 04 dated 05 March 2007 and DOS circular no. 2 dated 15 February 2012 require banks to put in place an effective risk management system. The risk management system of the Bank covers the following six broad risk areas:

- Credit Risk
- Foreign exchange risk
- Asset Liability Management Risk
- Internal Control & Compliance Risk
- Money Laundering Risk
- Information & Communication Risk
- Technology Security Risk

Credit Risk Management

Credit risk is most simply defined as the potential risk where a bank borrower or counterparty will fail to meet its obligations in accordance with agreed terms. The goal of credit risk management is to maximize a bank's risk-adjusted rate of return by maintaining credit risk exposure within acceptable parameters. Banks need to manage the credit risk inherent in the entire portfolio as well as the risk in individual credits or transactions. Banks should also consider the relationships between credit risk and other risks. The effective management of credit risk is a critical component of a comprehensive approach to risk management and essential to the long term success of any banking organization.

Both on-balance sheet and off-balance sheet activities like guarantee has impact on credit risk. It may arise from either an inability or an unwillingness to perform in the pre-committed contracted manner. Credit risk comes from a bank's dealing with households, small or medium-sized enterprises (SMEs), corporate clients, other banks and financial institutions, or a sovereign. The assessment of credit risk involves evaluating both the probability of default by the borrower and the exposure or financial impact on the bank in the event of default.

Our credit risk management function has been kept independent of business origination functions to establish better internal control and to reduce conflict of interest. The Chief Risk Officer and the Head of Credit Risk Management have clear responsibilities for management of credit risk. The final authority and responsibility for all activities that expose the bank to credit risk rests with the Board of Directors. The Board, however, has delegated authority to the Managing Director and CEO to re-delegate authorities to other officers of the credit risk management division. The Board also sets credit policies and delegates authority to the management for setting procedures, which together has structured the credit risk management framework in the bank.

The prime objective of the risk management is that the Bank undertakes well calculated business risks to safeguard its capital, financial resources and growth of sustainable profitability. In this context, the Bank has formed a risk management committee to overview regular monitoring of those critical risk areas.

Foreign Exchange Risk Management

Foreign exchange risk is the risk that changes an investment's value due to changes in currency exchange rates. This risk usually affects businesses that export and/or import but also affect investors making international investments. Financial risk management is the practice of creating economic value in a firm by using financial instruments to manage exposure to risk. The most common cause of foreign exchange (FX) risk arises from making overseas payments for imports that are priced in a foreign currency and receiving foreign currency as payment against exports. Exposure to foreign exchange risk can also arise from foreign currency borrowing and deposits, overseas subsidiaries, assets located overseas.

UCB has developed a Foreign Exchange Risk Management policy in line with the Bangladesh Bank foreign exchange guidelines to minimize different types of risks associated with foreign exchange transactions. In this guideline treasury functions are clearly demarcated between treasury front office, mid office and back office. The front office is involved only in dealing activities and the back office is responsible for all related support and monitoring functions on the other hand, mid Office will be responsible to monitor market risk, liquidity risk and operational risks at treasury. Treasury Front Office' 'Treasury Mid Office and 'Treasury Back Office' have separate and independent reporting lines to ensure segregation of duties and accountabilities.

The Bank has also developed different strategies to handle the foreign exchange risk by setting different types of limits and risk parameters to measure and monitor foreign exchange risk exposure of the Bank. Treasury department is vested with the responsibility to measure and minimize the foreign exchange risk associated with bank. To assess the degree of the risk associates with foreign exchange position bank computes VaR (Value at Risk) on its foreign exchange position on daily basis. To deal smoothly the dealers have various limits with triggers such as counterparty limit, stop loss limit, intraday limit, per deal limit etc.

Dealing room is equipped with Reuter's information and dealing system, a voice recorder for recording deals taking place over the telephone, television with financial news channels. Before entering into any deal with a counter party, a dealer ensures that they have knowledge about the counter party's dealing style, product mix and assess whether the customer is dealing in an appropriate manner.

Asset Liability Management Risk

ALM is an integral part of the financial management process of any bank. It is concerned with strategic balance sheet management involving risks caused by changes in the interest rates, exchange rates and the liquidity position of the bank.

The Asset Liability Management Committee (ALCO) of UCB headed by the Managing Director of the Bank meets at least once in every month to look after the financial market activities, manage liquidity risk, interest rate risk and FX or currency risk. Asset Liability Management (ALM) desk of the Treasury is primarily responsible for management of liquidity risk on a daily basis by appropriate coordination of funding activities. Asset liability Committee (ALCO) reviews the country's overall economic position, market outlook (local and global) and Bank's liquidity position. A quarterly projection of fund flows is reviewed at ALCO meeting regularly. ALCO also examines key ratios such as Maximum Cumulative Outflow, Advance Deposit Ratio, Capital Adequacy Ratio, Liquidity Coverage Ratio (LCR), Net Stable

Funding Ratio (NSFR), Leverage ratio etc. ALCO also monitors concentration of deposits of large institutional depositors which is volatile in nature.

In addition to the above ratios ALCO also analyses following statements to measure and monitor liquidity risk, interest rate risk and FX or currency risk:

| Risks | Statement |
|--------------------|---|
| Liquidity Risk | <ul style="list-style-type: none"> • Structural liquidity profile • Dynamic liquidity profile • Key Management Ratios • Cash flow projection |

Internal Control and Compliance Risk

Internal Control is a process, effected by a bank's board of directors, management, and other personnel, designed to provide reasonable assurance regarding the achievement of objectives relating to operations, reporting and compliance. An organization deploy many layers of defense. In order to ensure, there are enough controls to manage the adverse risk of any major setback. The first layer of defense is the operational management. The second layer of defense is the control function such as internal control, risk management and compliance. The third layer of defense is the internal and external audit function.

A system of strong internal controls can help ensure that the goals and objectives of a banking organization will be met, that the bank will achieve long-term profitability target, and maintain reliable financial and managerial reporting. Such a system is designed to provide reasonable assurance regarding the achievement of objectives in the following categories:

- Effectiveness and efficiency of operations,
- Reliability of financial reporting and
- Compliance with applicable laws, regulations, and internal policies.

UCB PLC develops and maintains a robust internal control framework comprising the following internal control features:

- Management oversight and the control culture
- Risk recognition and assessment
- Control activities and segregation of duties
- Information and communication
- Monitoring activities and correcting deficiencies

Internal Control & Compliance Division (ICCD) under guidance of Board & Senior Management has been working on the issue in light of Bangladesh Bank guidelines. Audit function is now totally independent with reporting line of 'Head of Audit' to Audit Committee of Board along with administrative reporting line to 'Head of ICCD'. Competent authority of the bank has taken various steps to strengthen internal audit as well as compliance activities for ensuring a standard compliance culture within the organization towards mitigating Internal Control & Compliance Risks.

The key issues that have been established for effective internal control of UCB PLC are as follows:

- i. ICCD of UCB is working in light of guideline on Internal Control & Compliance Guideline of UCB.
- ii. ICCD arranges awareness Building workshop regarding compliance culture in different zone.
- iii. The internal Audit department of the Bank checks for compliance with policies and procedures and the effectiveness of internal control systems on an ongoing basis.
- iv. Compliance inspection team of ICCD carried out compliance inspection regarding authenticity/accuracy of RBIA compliance and miss reporting.
- v. In assessing the internal control system UCB continued to review of different control tools i.e. QOR, LDCL, DCFL, Internal audit checklist and Risk rating.
- vi. ICCD prepare Health Report of UCB on Annual basis.
- vii. Self-Assessment of Anti-Fraud Internal Controls is carried out on semi-annual basis as per DOS circular letter #10 dated 9 May 2017 of BB.

Effective and efficient internal control of UCB PLC secure the interest of depositors and stakeholders through establishing the following internal control functions:

- Compliance
- Information Security
- Internal Audit
- Risk Management

It helps to reinforce the 3 (three) types of control:

- Preventive** - creation of process control environment,
- Corrective** - Control Procedures in business processes/operation and
- Detective** - Post facto controls.

Three line of defense

UCB PLC uses a lines of defense model as a key component of its Enterprise Risk Management (ERM) Framework to manage its risks. The lines of defense model bring together risk-taking, risk oversight, and risk assurance under one umbrella and provides an avenue for risk accountability of the first line of defense, a construct for effective challenge by IRM and ICRM ("second line of defense") and empowers independent risk assurance by Internal Audit ("third line of defense"). In addition, the lines of defense model include organizational units tasked with supporting a strong control environment ("enterprise support functions").

The first, second and third lines of defense, along with enterprise support functions, have distinct roles and responsibilities and are empowered to perform their relevant risk management processes and

Money Laundering Risk

Financial institutions across the globe are working hard to fight financial crime driven by demands to protect assets and maintain regulatory compliance. The areas of specific focus are those of Anti-Money Laundering (AML) and Anti-Terrorist Financing (ATF). Money laundering is the process of providing legitimate appearance to the illegally gained revenue. And terrorist financing process involves collecting the funds intended for use in supporting the terrorist organization from a variety of sources and using the funds as needed to further the terrorist organization's goals. Both Money Laundering and Terrorist Financing have the tradition of eroding the financial institutions and weakening the financial sectors' role in the economic growth.

Regulators expect functions in the Bank to be standardized on a global level and across business lines. The businesses themselves need consistency and efficiency. One of the best ways to satisfy these expectations is to centralize functions. This is an important first step in sharing and harmonizing skills throughout the organization.

UCB has already gone a long way in the path of centralizations of its functions. In 2018, new Anti-Money Laundering and Anti-Terrorist Financing Division has been formed. As instructed by BFIU, Deputy CAMLCO is heading this Division. The Division has been manned with qualified resources to ensure high level of AML and ATF compliance across the Bank.

AML & ATF Division has arranged a number of training programs on prevention of money laundering and terrorist financing for the Executives/Officers of the Bank through-out 2022 to develop their professional skill and ensure better compliance.

A total number of 21,317 participants were covered through e-learning & Training programme). Total 257 sessions were arranged by the LDC through eLearning module and Training facilities.

In line with international initiatives and standards, the Regulator has issued guidelines for preventing Trade Based Money Laundering (TBML). UCB has also prepared its own policy on "Prevention of Trade Based Money Laundering" on September 29, 2020 based on the BFIU guidelines on the same.

As part of Alternative Learning Channel, in 2022 LDC has partnered with LinkedIn & ensured upskilling of 50 officials to be equipped with the international business and leadership practices, refined critical thinking skills, improved virtual communication, flexibility and self-efficacy learning to maximize self-efficacy. Likewise, licenses for the UCB SMT of a Premium Learning Solution Harvard Manage Mentor was attained.

Fraud and Forgeries Risk

Fraud is deliberate deception to secure unfair or unlawful gain. UCB has been relentlessly striving for effective anti-fraud control mechanism to be in place and are working properly so that attempts to make fraud and forgeries can be identified at the initiation, escalated to the appropriate level of management and necessary corrective measures are undertaken accordingly. Moreover, as a part of

Information Communication Technology Risk

In the recent years, banking industry has been reshaped significantly in terms of its operational processes, service delivery channels, market strategies including targeting, segmenting, positioning / penetrating and with the wide varieties of product & services catered for individual customer needs mostly. Among all other pivotal factors, 'Information and Communication Technology' (ICT) has been regarded as the core to bring such momentous transformation into successful reality. Consequently, the importance of information security for the banks has gained much importance, and it is of the critical essence for us to ensure that the ICT risks are being properly identified and measured, and adequate mitigation strategies are in place.

ICT Risk management is a systematic approach for the identification, assessment and management of information security related risks in Bank. It encompasses not only the negative impacts of operations and service delivery which can bring destruction or reduction of the value of the Bank, but also the risk associated with opportunities losses to explore the technological benefits with adverse business impact.

UCB regarded 'Effective Risk Management Process' as a vital constituent of a thriving IT security program. Therefore, we developed our ICT risk management process in a way to aid the bank in achieving the new-fangled business changes, potential investment in information technology system, mitigating existing and imminent ICT threats.

The ICT Policy of the Bank has recently been revised and restructured to comply with the recent technology, risk management trends and Bangladesh Bank latest ICT guideline. The Business Continuity Plan, Disaster Recovery Plan and Information Security Management Policy have been republished after the revision. Moreover, UCB has developed ICT Risks Management Policy and approved by board, which covered all areas of IT risks according to Bangladesh Bank risks grading guideline.

UCB has the following footprints on reducing ICT risks including fraud prevention which will eventually ensure our sustainable banking operation in the foreseeable future:

- Vulnerability Assessment and Penetration Testing (VA/PT) Solution Introduced.
- Optimization of SWIFT System has been successfully completed.
- Internet Banking Solution with two factor authenticator (2FA) mechanisms and OTP.
- Anti-Money Laundering (AML) Solution Implemented.
- National Identity Card (NID) Verification System Introduced for avoiding duplicated NID use in Customer Account Opening.
- Two Factor Authentication (2FA), SMS, E-mail alerts for Credit card transactions.
- Anti-Skimming devices have installed in all UCB ATM for protecting Card Counterfeit.
- EMV standard solution (Chip Based) have been implemented that can reduce optimum level card fraudulent activities (Skimming, Duplicate card, etc).
- Duel control mechanism: Bank has introduced maker checker roles in FCUBS & card management software which results internal user cannot process any CBS and credit card related tasks by one person.
- Real Time Automated Fraud Management Solution: UCB has the capability to monitor fraudulent transaction based on defined rules. This solution can identify and manage risks properly.

2.10.55 Internal Audit

The Bank has established an independent internal audit function for conducting risk based internal audit on various business and operation areas of the Bank on continuous basis.

2.10.56 Interest rate Risk

Interest rate risk may arise either from trading portfolio or from non-trading portfolio. The trading portfolio of the Bank consists of Government treasury bills and bonds of different maturities as far as Interest rate risk is concern. Interest rate risk arises from mismatches between the future yield of an asset and their funding cost. Asset Liability Committee (ALCO) monitors the interest rate movement on a regular basis and the Bank's Markets Treasury team actively manages the Balance Sheet gap to reduce the risk.

2.10.57 Operational Risk

Operational risk is defined as the risk of loss resulting from inadequate or failed internal processes, people, and systems or from external events. Operational risk is inherent in the Bank's activities and as with other risk types is managed through an overall framework with checks and balances that include implementation of three line of defence, recognised ownership of the risk by the businesses and independent risk management oversight. The operational risk policy codifies the core governing principles for operational risk management and provides a framework for operational risk. In accordance with the policy, each business area is responsible to identify its key operational risks as well as the controls established to mitigate those risks and to ensure compliance with laws, regulations, regulatory administrative actions and the Bank's policies. The Bank's objective is to manage operational risk so as to balance the avoidance of financial losses and damage to the reputation of the Bank's reputation with overall cost effectiveness and innovation. In all cases, the bank's policy requires compliance with all applicable legal and regulatory requirements.

2.10.58 Operating Environment

The Bank's operating environment during the year ended 2022 were impacted by a number of major global events such as continuation of COVID 19 related disruptions, start of Russia-Ukraine conflict, increase in fuel and commodity price, strengthening of USD, etc. Most of these events also had significant impact in the local economic environment affecting the Bank's operation. From time to time, the Government of Bangladesh and the local Central Bank (Bangladesh Bank) has issued various
